FOR CONGRESS

HON. T. ALAN GOLDSBOROUGH

The following Eastern Shore newspapers, representing an overwhelming majority of those which have taken an editorial stand in connection with the present contest for the Democratic nomination for Representative in Congress fromthe First Maryland District, have declared themselves strongly in favor of the nomination and re-election of Hon. T. Alan Goldsborough:

The Cecil County Star, North East, Md.; The Berlin Times, Berlin, Md.; The Centreville Observer, Centreville, Md.; The Delmar News, Delmar, Md.-Del.; The Federalsburg Courier, Federalsburg, Md.; The Marylander and Herald, Princess Anne, Md.; The Wicomico News, Salisbury, Md.; The Democratic Messenger, Snow Hill, Md.; The Caroline Sun, Ridgely, Md.; The Caroline Independent, Denton, Md.; The Crisfield Times, Crisfield, Md.; The Worcester Democrat, Pocomoke City, Md; The Democrat and News, Cambridge, Md.; The Salisbury Times, Salisbury, Md.; The Denton Journal, Denton, Md.; The Queenstown News, Queenstown, Md.; Cecil County News, Elkton, Md.

"Last week the Centreville Observer was pleased to add its enthusiastic endorsement to that already accorded Congressman Goldsborough by the large majority of country weeklies extending up and down the Shore. And, virtually without exception, these newspapers have taken this step because they believe the renomination and re-election of Congressman Goldsborough will return to the House of Representatives a man who by training and experience, is admirably equipped to serve the best interests of the several hundred thousand people residing in the nine counties that comprise the Eastern Shore Congressional district."—The Centreville Observer.

"Congressman Goldsborough is a brilliant, forceful public figure; his record will stand the closest scrutiny. His attitude on all public questions has been in accord with the sentiment of his people; and he has rendered invaluable service during the eight years he has been in Congress. No Representative ever worked more tirelessly, or with greater faithfulness and ability, to serve his District, his state and his nation."—The Delmar News.

"With due regard to the probity of any other aspirant, we feel that Mr. Goldsborough should be renominated to the seat he now holds,—his name, his record and his ability will prove a tower of strength to the entire Democratic ticket and especially so in the coming national electon, a Presidential year, when the Republican party always reaches its peak of power. Mr. Goldsborough's renomination therefore will greatly enhance the party's success in November."—The Cecil County Star (North East.)

"In most Congressional Districts a record like that of Mr. Goldsborough is sufficient to insure him renomination at the hands of his party, without a contest. Another rousing victory for Mr. Goldsborough at the May 7 Primaries will attest the appreciation of Eastern Shore Democrats for his splendid services, and will mark the way to victory for the Democratic party in November."—The Berlin Times.
