QUEEN THEATRE TO HAVE MUSICAL COMEDY STOCK COMPANY

STARTING MAY 14TH WITH BROADWAY HITS

On Monday, May 14th, the Queen Theatre will inaugurate a summer season of musical comedy stock. The Eviston-Napier Players, numbering in all about thirty-five entertainers, principals and chorus girls will present the musical comedy hits of Broadway.

The price scale at the theatre will not be changed and there will be two different Broadway musical comedies each week at regular Queen Theatre prices.

The first to be offered will be George M. Cohan's "Mary." Few successes have made the records that "Mary" did on Broadway. Its tuneful "Love Nest" is one of the sweetest of melodies and is the theme song in a score that sparkles with other hits. "Mary" will be presented on Monday, Tuesday and Wednesday, May 14, 15, 16.

Anne Nichols (author of "Abie's Irish Rose") is also the producer of the famous musical play "Linger Longer Letty" which is to be presented on Thursday, Friday and Saturday, May 17, 18 19th. It will be remembered that Charlotte Greenwood starred in this show when it was presented in New York for two solid years.

"Little Nellie Kelley," "The Demi-Virgin" and "Sally" are some of the other shows that will be presented at the Queen. There will be three performances each day, one in the afternoon and two each evening. On Saturday there will be four performances.

He who dwells in palaces, and wears soft raiment, is always at a disadvantage when the tests of real living are upon him, and when the ordeal of death meets him in the way. It takes the battling, baffling winds to harden the spirit of man to meet life's crisis.
