"A GOOD CIGAR FOR 5c — WHAT?"

Here's a cigar which knocks all doubt sky-high

You've often been fooled on 5c cigars, we admit. We don't blame you if you're "from Missouri"—that's the kind of men we're shouting to.

Risk just one more nickel—try a *Havana Ribbon*. You may get the idea that this is a higher priced cigar cut to five cents for some dark purpose. But there's no catch in it at all. *Havana Ribbon* is simply an example of what really can be put into a nickel cigar by sincere manufacture and huge production: Ripe, long-filler tobacco—cured, age-mellowed and skilfully put together (no bitter *under*-ripe nor flat *over*-ripe leaves). Smoke so sweet, cool, mild and full-flavored, you'll scarcely believe it possible in a 5c cigar.

No question about it, *Havana Ribbon* is the world's greatest five-cent smoke. Shoot one buffalo coin and see. At cigar counters everywhere. Also sold in *Practical Pocket Packages* of five cigars.

The Landau Sedan Body by Fisher

With special sport equipment, no smarter car than this

Smart as a racing craft. Long and low . . . with rakish, youthful lines. But with special sport equipment . . . it's even smarter. The peer of any car in its class.

Six wire wheels . . . their colors contrasting with body shades. Spares carried forward in special fender wells. A trunk rack behind . . . suggesting week-end journeys. All that you see and admire on America's finest custom-built cars.

There's real style, if you ever saw it. Swank . . . snap . . . personality. Reflecting the speed and drive of its engine . . . its change of pace and its wonderful handling ease.

Add to all this the charm of bodies by Fisher. The deep-cushioned comfort and luxury that Fisher bodies provide. Then you'll find the All-American Six leagues ahead of any rival. And you'll marvel again at its truly remarkable price.
