PROTECT YOUR HEALTH . . . SAVE YOUR FOOD

THE proper preservation of foods prevents the growth of disease germs and bacteria.

To preserve foods properly refrigeration must be used.

The Crosley Icyball Refrigerator provides a commodious cabinet for the storage of all those things which are needed for the table during the day. More economical than ice the cost of heating the Icyball unit each day is averaged at 2 cents.

The Crosley Icyball Refrigerator offers you all these advantages at a very low cost. This beautiful refrigerator comes to you at $85. F. O. B. factories.

The Crosley Icyball Refrigerator is the result of an invention which makes it possible for you to enjoy the many benefits of refrigeration no matter where, or under what conditions you may live.

For its operation it is entirely independent of electricity or other power services. You simply remove the ball unit each day and heat it for the period of approximately an hour and a half.

THE Crosley Icyball Refrigerator is manufactured by one of the largest radio manufacturers in the world. The facilities and great resources of so large a corporation make it possible to sell this high class refrigerator at so low a price.

Come into our store and see a Crosley Icyball Refrigerator in operation. You will be convinced that it is the greatest refrigerator on the market. To see it is to buy it.

$85 COMPLETE WITH CABINET F O B FACTORIES

THE Crosley Icyball Refrigerator cabinet is constructed of metal. The exterior is finished in grey and green lacquer and enamel. The interior is handsomely done in grey and white baked enamel. Trimmings are of polished nickel.

The Crosley Icyball Refrigerator is equipped for the making of ices, frozen desserts, chilled salads, ice cubes, etc.

The Crosley Icyball Refrigerator will do anything that any other refrigerator will do, and do it cheaper. You're safe with a Crosley.

A Sweeping Success because it offers Big Car Qualities for only $745

The New Pontiac Big Six is a sweeping success—an even more pronounced success than its famous predecessors. And it owes its success largely to the fact that it offers big car qualities at low prices. Oakland produced this car to enable progressive people to *step up* in motor car quality without leaving the low-priced field. And the very people for whom it was created have made it an impressive sales success.

Pontiac Big Six, $745 to $895, f. o. b. Pontiac, Michigan, plus delivery charges. Bumpers, spring covers and Lovejoy shock absorbers regular equipment at slight extra cost. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list price when comparing automobile values . . . Oakland-Pontiac delivered prices include only reasonable charges for handling and for financing when the Time Payment Plan is used.
