Welcome the MAYTAG man

THE mission of the Maytag Man, the country over, is one of helpfulness to the housewife. He is responsible for upholding the Maytag reputation—a name that stands for world leadership in the washer industry. He possesses a fund of information about washday problems—information gained by personal experience and by cooperation with a Company that has built washers for a million and a half satisfied users.

The Maytag Company
Newton, Iowa
Founded 1893

For homes without electricity, the Maytag is available with in-built gasoline motor.

BETTERTON TRAP SHOOT

BETTERTON, MD.—Honors in both the Betterton championship and the Betterton handicap fell before the sharpshooting of out-of-State marksmen in the final day's shooting of the seventh annual tournament of the Betterton Trap Shooting Club here Friday. J. L. Luke, of Wilmington, Del., took the championship with a record of 91 breaks, while the handicap trophy went to George Mosley, of Newport News, Va., who also shattered 91 clays.

In the championship shoot in the morning, E. A. Hill, of Bridgeville, Del.. and J. B. Fontaine, of Philadelphia, shared runner-up laurels with 90 clean breaks to their credit. There was no shoot-off for the place.

Just as the handicap event was getting under way a terrific storm broke and delayed the shooting more than an hour. Following this the low visibility was evidently a handicap to a majority of the marksmen.

But Mosley, the Virginia crack shot took a steady lead on the clay saucers and shot consistently to take the trophy by a single bird.
