THE TRANSCRIPT

AN ERROR

In the account of the firemen's parade, held on Tuesday evening of last week, published in the Transcript last Saturday, the name of the Rock Hall Volunteer Fire Company was inadvertively omitted from the list of the companies taking part.

This company was an important part of the parade having equipment, band and 57 men in line. We regret the error.

GEORGE McCLEARY MURDERED

George McClary, a former Kent-countain was murdered on Saturday last, but his body was not found until Wednesday. He was a truck driver for Schuluderberg-Kurdle Company meat packers, of Baltimore. Mr. McClary's body was found in the truck he was driving in a woods near the Annapolis road.

Approximately $192, the bulk of his day's collections, was missing. His silver watch and 10 cents were found lying in the truck.

Although it is believed he was beaten over the head with a heavy instrument, because of the condition of the body authorities were unable to determine, after a superficial examination, in what manner he had been killed.

The name of a man, whom three persons saw riding on the truck with Mr. McClary shortly after noon Saturday, has been turned over to Baltimore detectives. He could not be located for questioning late last night.

A search for the missing truck and the driver had been conducted since Sunday by employes of the meat-packing company by which he was employed and by members of the State police.

The truck was discovered in the clump of woods off the main thoroughfare about 2 p. m. Wednesday.

Mr. McClary was raised in the lower part of this county. He was the son of Mr. and Mrs. William McClary, of Rock Hall.

—The Ladies Auxiliary of the Chestertown Volunteer Fire Company will meet at the fire house next Monday, August 26th at 7 p. m.

TO THE TAX-PAYERS of Kent County

Chestertown, Md., Aug. 21, 1929.

It has come to the knowledge of the Board of Directors of the Third National Bank of Chestertown, Md., from a most reliable source, that Mr. Fred G. Usilton, president of the Kent County Savings Bank, in a conversation with a member of his Board of Directors regarding the distribution of the $1,000,000.00 Bond issue proceeds for road building in the county, stated that the proceeds of the $1,000,000.00 Bond issue is "ORGANIZATION MONEY, and we ought to have it all." Mr. Usilton's statement was made to a member of his Board who expressed the conviction that it was a mistake not to recognize the Third National Bank in the distribution of the fund. Following Mr. Usilton's statement to this member of his Board of Directors he was interviewed by Messrs. H. Stockton Startt and P. Medford Brooks, members of the Board of Directors of the Third National Bank, and in reply to a question as to whether he did not think the Third National Bank was entitled to a portion of the fund? His reply was: "Well I got mine by asking for it, but know nothing about the alloting of the money to other Banks. The day after I went to see Mr. Newsome (County Treasurer) I was sent for to come to Mr. S. Scott Beck's office, and found Mr. Newsome there with Mr. Beck. Mr. Beck said: 'I understand you want part of the bond money for the Kent County Savings Bank?' I said yes, I think we ought to have some of it. He (Beck) said: 'How much do you want?' My reply: All we can get, it is for Mr. Newsome to say how much. Mr. Beck asked: 'How much are you willing to pay for it?' I told him the regular rate of interest. Mr. Beck said: 'Won't you pay 5%?' I told him, No, we will pay 4%. And Mr. Beck said: 'Well we are going to let you have $300,000.00' and no other bank was mentioned." The Undersigned Directors of The Third National Bank desire to let the taxpayers of the County know the motive behind the distribution of THIS money in the several banks of the County, and it is our firm conviction that a partisan political "slap" at the Third National Bank was the motive which actuated the distribution of this fund, regardless of the fact that the largest and most prominent taxpayers in the County are patrons and depositors of the Third National Bank.

For the benefit of the Taxpayers of the county as well as for the information of our patrons and friends, we desire to say NOT a dollar of the Town or County Taxes are deposited in the Third National Bank, nor does it receive a penny of the annual revenue from the Town Water System in deposits. To the best of our knowledge, every dollar of this money is on deposit in the Chestertown Bank of Md. and in the Kent County Savings Bank, the former of which received $500,000 of the $1,000,000 road bond issue, and the Kent County Savings Bank $275,000.00, every dollar of which (we are told) is drawing high rates of interest on Wall Street, New York City, and yet in spite of these facts the Third National Bank has been, and we believe still is, the largest Bank in Kent County, and there are but few larger on the Eastern Shore.

The Third National Bank
of Chestertown, Md.
The Only Nationl Bank in Kent County

In answer to a question asked in this space last week as to who was responsible for the distribution of the $1,000,000.00 road fund among the several banks of Kent county, not one dollar ($1.00) of which the Third National Bank received, the Board of Directors of the Third National Bank submits the following interview held by Messrs. G. Ellsworth Leary and P. Medford Brooks (members of the Board of Directors of this bank) with County Treasurer Clarence Newsome, Wednesday afternoon, July 31, at Mr. Newsome's place of business at Betterton. "Mr. Newsome, did you have the distribution of county money?" Answer. "Yes, I had a slip of paper with distribution of money. On that slip I had $100,000.00 for the Third National Bank, $100,000.00 for the Millington Bank, both at the request of Mr. S. J. Johnson, and at a meeting between myself, Scott Beck and Fred Usilton, pressure was brought to bear to cut out the Third National Bank, against my wishes." Mr. S. J. Johnson, President of the Kent County Commissioners, and a director in this bank, verifies this statement in part by saying Treasurer Newsome promised him that he would deposit $100,000.00 in the Third National Bank of Chestertown. The above speaks for itself.
