REPORT OF CHESTERTOWN P.T.A.

THE CHESTERTOWN PARENT-TEACHERS ASSOCIATION TO OPEN A NEW YEAR

Members of the Chestertown P. T. A. are anticipating a flourishing year, and will soon begin regular meetings.

The past year was a very successful one for the organization. There were eight regular and two special meetings held, and while the attendance was not all that could have been hoped for, the accomplishments have been very worth while.

One of the first projects the Association undertook, was the cleaning of the school building. An efficient committee made arrangements for raising the money necessary for this extra work, and the children started the school year in a clean, well aired building.

The most outstanding improvement made this year, was the new cement wall around the front school yard. While criticism has been made of the grassless condition of the yard, it was no doubt made by those who are unaware of the inadequate playground space, and the great number of children attending the school, and it would be impossible to crowd them in the small back yard, so the front yard must serve as a playground for some of the grades. When more playground space is provided, the P. T. A. will no doubt plan a more attractive front yard.

Some of the other achievements for the year, are the purchase of 8 ventilators for the school rooms, rubber silencers for the chairs in the lower grades, a contribution of $80.00 for additional library books, paper towels and soap, an emergency first aid kit, and flowers for sick members.

The P. T. A. undertook sponsoring the play "Here Comes Arabella." It required a great deal of time and hard work, but the Association realized $100 for their efforts.

Rally Day was another occasion for hard work and expenditure of time, but the members responded splendidly, and the treasury of the association was swelled by $280.00.

The Association i snow planning to open this coming year with a reception to the new principal and teachers, to be held Thursday evening, September 19, in the elementary school, at 8 o'clock.

Everyone is invited and it is hoped that there will be a large attendance, and that every family represented in school, will have a representative at each P. T. A. meeting this coming year. Let's make this year a banner one.

Standley Evans, president of the Elkton Gun Club, won the amateur championship of Cecil county, in the 100-target event held last Saturday on the Elkton Gun Club gronds, by 98 targets out of the possible 100. Sutton and Highfield tied in the 50-target handicap event, each breaking 45.

Due to the prevailing High Money Market, it was necessar that the last issue of Federal Land Bank bonds should bear a higher interest rate than issue immediately preceding.

Therefore, the Federal Land Bank hereby gives notice that on and after May 1, and until further notice, all loans made by the Kent and Queen AnneNational Farm Loan Association shall be at the rate of 5½ per cent. per annum instead of 5 per cent as heretofore.
