MEN'S CLUB BANQUETS

The Young Men's Club of Christ M. P. Church held its annual banquet on Thursday evening of this week in the social rooms of the church. A delightful banquet was served by the Triangle Club.

Mr. Thomas D. Bowers acted as toast master, and introduced Mr. Theodore R. McKeldin, secretary to Mayor Browning, of Baltimore city.

The following officers were elected for the coming year: Messrs. William A. Wheatley, President; James W. Crouch, Vice President; C. C. Jones, Secretary and George W. French, Treasurer.

AN IMMIGRANT BOY

The career of Edward W. Bok, which came to an untimely end Thursday, stands as a symbol of the opportunity for achievement that America offers to every capable and ambitious young man. The story of his rise from a humble immigrant boy to one of the most influential editors and writers of the country is too well known to need repeating. It illustrates, as no amount of exposition can, the generous spirit in which the American people have accepted new citizzens from foreign countries and rewarded them when they have made good.

Mr. Bok was privileged to live his theory of life as few men are. He divided life into three periods, the first for education, the second for achievement, and the third for retirement and community service. His education was not all that he desired, since he was forced by necessity to become an office boy at 13 years of age, and began editing a magazine at 19. But diligent application brought him the editorship of the Ladies' Home Journal at the age of 25. The active period of his life as an editor and author is well known.

Mr. Bok entered into the spirit of America and found an extensive field in which to cultivate his talents. His success represents not only his own personal merit but the willingness of this country to reward the accomplishments of any capable immigrant lad who has a will to win. He proved that America is still a land of opportunity to both native and foreign born.

Acidity

The common cause of digestive difficulties is excess acid. Soda cannot alter this condition, and it burns the stomach. Something that will neutralize the acidity is the sensible thing to take. That is why physicians tell the public to use Phillips Milk of Magnesia.

One spoonful of this delightful preparation can neutralize many times its volume in acid. It acts instantly; relief is quick, and very apparent. All gas is dispelled; all sourness is soon gone; the whole system is sweetened. Do try this perfect anti-acid, and remember it is just as good for children, too, and pleasant for them to take.

Any drugstore has the genuine, prescriptional product.
