Desert Aster a Beauty

In Painted canyon is found the desert aster—superlative one of all western composites bearing the much-used name of "aster,"—lavender-rayed, with yellow center, and two or three inches across. And with enough irregularity to give it an air which we can only satisfactorily describe as chic. It is a perennial, with a low woody base, a generous annual growth of slender herbaceous branches, and a liberal dower of foliage.

How to Display Flag

If the flag is used on the speaker's platform, it should be displayed above and behind the speaker, the union being to the audience's left as they face it. If the flag is flown from a staff, it should be on the speaker's right. If displayed on staff to one side of stage, as in a church, it should be from a staff placed on the right of audience as they face the stage; any other flag should be at the left.

EAT ICE CREAM & DRINK MILK TO PREVENT COLDS

Health Commissioner Kegel, of Chicago, interviews the representatives of the press advocating that everyone eat ice cream and drink milk to prevent colds.

"The part foods play in building up resistance against colds is often overlooked," he said. The intelligent way to avoid colds is to prevent them.

A meal consisting of meat, potatoes, two or three vegetables, topped off with a dish of ice cream, is a big factor in keeping up bodily resistance.

Ice cream, in fact, may well be indorsed as a winter food. Contrary to general opinion, there is no harm in the consumption of cold drinks or cold foods. By the time they enter the stomach they are raised to body temperature.

Tells of Experience With Dreco Treatment

Morgantown resident says: "Feel better than I have in years"

Mr. Geo. Gross

"My stomach was sour and gassy, and I felt miserable at all times," said Mr. Geo. Gross, of Morgantown, W. Va. to one of the Dreco Experts.

"It is strange that so many sufferers from stomach trouble wait till they are down sick and unable to attend to their duties before starting on a medicine like Dreco.

"The Dreco treatment ended my suffering and made me feel better than I have in years."

A FAMILY DOCTOR'S LAXATIVE IS BEST

Your health is too important! You cannot afford to experiment with your delicate bowels when coated tongue, bad breath, headache, gas, nausea, feverishness, lack of appetite, no energy, etc., warn of constipation. This applies not only to grown people, but more particularly to children. That's why a family doctor's laxative is always the safe choice.

Dr. Caldwell's Syrup Pepsin is prepared today under strict laboratory supervision from fresh laxative herbs and other pure ingredients, and exactly according to Dr. Caldwell's original prescription.

Today, millions of families rely on Dr. Caldwell's judgment in the selection of their laxative. For Dr. Caldwell's Syrup Pepsin, in bottles ready for use, sold in all drugstores, is now the largest selling laxative in the world!

FARMERS,

LIST YOUR

Repair Needs.

It would be hard to find a farmer what at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not ordered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to met every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.
