IN MEMORIAM

Dolan; Mary E. In loving memory of our dear mother who died April 8, 1916.

The moon and stars are shining
Upon a lonely grave,
Where slept our darling mother,
We loved but could not save.

We often sit and think of you,
And speak of how you died;
To think you could not say good-bye,
Before you closed your eyes.

Your memory is as dear today
As it was fourteen years ago.
For all of us you did your best,
May God give you eternal rest.

By her husband and daughter.
James Dolan.

SPORTSMEN ASKED TO STUDY QUAIL

Kent County sportsmen are asked to cooperate in a study of the partridge that are being brought in from the west to restock game covers. The game department of Maryland, Virginia and Pennsylvania are inviting sportsmen in these States to cooperate in checking the habits of Mexican quail, which they are importing.

Leg bands are being placed on the birds before liberation, and hunters who kill quail wearing the bands are asked to send the bands to the address inscribed on them.

During the next few weeks, the Pennsylvania department has informed the Virginia Commission of Game and Inland Fisheries, 15,000 bobwhite quail will be set free in the nearby State, and the Pennsylvania Board of Game Commissioners desires to trace migratory habits of the birds. Bands are also placed on the quail released in Virginia and Maryland.

In the past some difficulty has been experienced in securing such reports because some hunters assumed immediately that shooting a bird wearing a leg band was a violation of the law.

Chiropractic

has done great things for the human family, but it would be presumptious to say that it is at the end of discovery in its field. As investigation progresses, it would not be exaggeration to say that Chiropractors will still more than they have already done, startle the world by bringing to light laws of nature, which through all these bygone centuries have been hidden from our knowledge, but which are so essential to the welfare and happiness of mankind.

What has been done for others can be done for you.
