FARMERS,

LIST YOUR

Repair Needs.

It would be hard to find a farmer that at some time or another had not lost valuable time waiting for necessary repair parts. Take this territory and total up the time lost in this way and it will astonish you. And all because repairs are not ordered as early as they should be.

There is no better time than right now—just before the busiest season on the farm—to go over your machines carefully, make a list of repairs you are likely to need and send it to us. With this list in our hands, we can order our stock so as to be prepared to met every call promptly.

Repair part service is a necessary part of our business. We realize what it means to you in time and money to get what you need at once. Help us to help you by making up your list now and sending it in to us.

High in power-moderate in weight --and therefore

SUPERIOR in PERFORMANCE

An 85-horsepower engine makes the New Oakland Eight the highest powered car produced for its weight and size, only racing cars excepted. Because it develops one horsepower to 37 pounds of car weight, few cars can match the New Oakland's speed, pick-up and power. This ratio of power to weight accounts for its superior performance. . . . Furthermore, the inherent eight-cylinder smoothness of the power plant is intensified by a complete down-draft fuel system—new type cylinder heads—a short, very rigid crankshaft—and laminated steel spring and rubber engine supports. . . . The New Oakland Eight is also very economical to own. Its gasoline mileage equals that of many sixes of comparable size. Its sound basic design assures ...ity and long service. And the ...ne accessibility of its parts keeps maintenance costs at the minimum. . . . Come in and see this car with smartly tailored bodies by Fisher. It will convince you that you can now own an exceptionally fine eight at a very moderate price.

$1045 AND UP

The New Oakland Eight, $1045 and up, f. o. b. Pontiac, Michigan, plus delivery charges. Lovejoy Hydraulic Shock Absorbers included in list prices. Bumpers, rear fender guards and spring covers extra. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list (f. o. b.) price when comparing automobile values. Oakland delivered prices include only authorized charges for freight and delivery and the charge for any additional accessories or financing desired.
