During the year of 1929, we have built a number of cement pavements amounting to $3,295.20 and have charged in the report $2,295.20, leaving balance to be paid out of 1930 receipts of $1,000, and extra expense to come out of 1929 receipts has been a bond and coupon amounting to $1,025, that was due in 1928, and should have come from the 1928 receipts, but was not presented for payment until 1929.

Another extra expense was the lawsuit of Mabel S. Baker, amounting to $819.54. We were therefore unable to reduce the balance that was brought over from 1928 of $3,500.00 for build- Avenue and Princess Street. There ing curbs and gutters in that year.
