THE TRANSCRIPT

THE KENT COUNTY Chamber of Commerce is to be congratulated on the success of Road Day held here on Monday of this week. Aside from a well arranged program, the day will serve as one of the greatest advertising medium's that the county has taken advantage of for many years. The Chamber, whose offices are located in Chestertown, is a county-wide organization and is working for the betterment of all sections. The Board of Directors is made up of men and women from all parts of the county and the organization takes the lead in all worth-while moves for the progress of all communities.

MANY NOTABLES ATTEND ROAD DAY

MANY FORMER RESIDENTS RETURN TO KENT COUNTY TO HELP CELEBRATE

State officials and representatives from Pennsylvania, Delaware and all sections of Maryland helped make "Road Day" a success.

The program opened with an assembly of guests on the Court House green where a general get-to-gether was held Upon the arrival of Governor Ritchie from Rock Hall, where he had made the trip from Annapolis on the State steamer McLane, the road tour of Kent's newly constructed roads started. The tour covered slag road from Chestertown to Hanesville, then over nine foot concrete to Katts Corner, and through Worton to Hopewell over 16 ft. concrete road and back to Chestertown over 15 ft. Macadam road.

The tour was led by Governor Ritchie and included the visitors as well as a large delegation of local good road enthusiasts.

The tour ended at Washington College where a buffett luncheon was served to 250 people in the college gymnasium, by the By-Kota Club.

Following the luncheon the crowd adjourned to Washington College Athletic field where a special speakers stand had been built equipped with amplifiers. Dr. Paul E. Titsworth, president of the Kent County Chamber of Commerce, acted as chairman and the principal speakers were Governor Albert C. Ritchie; Mr. Williar, Chief Engineer of State Roads Commission; E Brook Lee, Speaker of the House of Representatives, representatives from the Pennsylvania Highway Department, and Senator S. Scott Beck, of Kent County.

Governor Ritchie lauded Kent County for the far-sighted lead which this county has taken in good roads and alluded to the proposed Chesapeake Bay bridge as a boon to this section.

Following the speaking, which concluded the days program, the Governor and his party left for Rock Hall from where they returned to Annapolis by boat.

The days program was well arranged by the Kent County Chamber of Commerce with Mr. Marion deK. Smith as "Road Day" chairman. The success of the affair is attributed to the untiring work of the various committees and their Chairmen.

Chestertown was appropriately decorated for the occasion with flags and bunting on the business houses.

The Chestertown Volunteer Fire Company Band furnished music for the full days program.

While the crowd was not as large asexpected owing to the busy season on the farms, those present represented every section of the state.

To Identify *Genuine* Aspirin

The increasing use of Bayer Aspirin every year is proof that it has no ill effects. It is the accepted antidote for pain. It always helps; never harms; is safe to use freely as often as it is needed. Quick relief whenever you've a headache, or cold; or are suffering from neuralgia or neuritis. The distressing pains of rheumatism yield, too, if you'll only give these tablets a chance. But be sure to get genuine Aspirin. It has the Bayer Cross on every tablet. Look for the name Bayer on the box, and the word "genuine" printed in red. Proven directions inside.
