THE TRANSCRIPT

DO THE DEMOCRATS of this county realize that there is to be a primary contest on September 8 in their party? Notwithstanding the fact that some of the party leaders and workers of the two factions in the county agreed on get-to-gether ticket, composed of men from each of the two factions, with the desire to prevent a primary, another ticket has developed under the name of the "Peoples Democratic Candidates" which will force the primary that it was hoped would be avoided. No one can doubt the right of the men on each of the two tickets to contest for the nomination to the office to which they aspire, but by doing so it will undoubtedly precipitate an unpleasantness in the party that it was hoped would be eliminated by the leaders and workers of the two recognized factions by the agreement that was reached by them. The men on the ticket recognized as the "Harmony Ticket," are representative citizens of the county and are capable of filling the officies to which they aspire. We have no criticism of the men seeking office on the "People Ticket," but we do think it is unfortunate and we regret that the expense of a primary should be forced on the people and the tax-payers at this time of depressed conditions.

—A marriage license was issued last Wednesday to one David Young, of Mountville, N. J., and Miss Ella Jane Robb, of Columbus, Ohio. Mr. Young gave his age as 80, which according to the records of the marriage bureau, is the oldest person who has ever procured a marriage license here. The bride gave her age as 56.

John E. Townshend
vs.
Phyllis H. Townshend

The object of the Bill filed in the above entitled case is to procure a Decree for divorce a vinculo matrimonii from the Defendant, a non-resident of the State of Maryland.

The Bill states:

1. That on the 2nd day of July 1925, John E. Townshend was married to his wife, Phyllis H. Townshend, with whom he resided in Chestertown, Kent County, Maryland, until the 23rd day of July 1927.

2. That, though the conduct of your Orator towards his wife, the said Phyllis H. Townshend, has always been kind, affectionate and above reproach, the said Phyllis H. Townshend has, without any just cause or reason, abandoned and deserted him, and has declared her intention to live with him no longer, and that such abandonment has continued uninterruptedly for at least three years, and is deliberate and final, and the separation of the parties beyond any reasonable expectation of reconciliation.

3. That your Orator and the said defendant, Phyllis H. Townshend, have had one child, P. Charlotte Townshend, born to them from said marriage who is now four years of age and living in Chestertown aforesaid with your Orator, who has had her custody ever since the aforesaid separation and who has provided and cared for her.

4. That the said defendant, Phyllis H. Townshend, is a non-resident of the State of Maryland but whose present whereabouts is unknown to your Orator but her last known address was Rocky Mount, North Carolina.

It is thereupon, this 2nd day of August, 1930, ordered by the Circuit Court for Kent County, in Equity, that the Plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 8th day of September next, give notice to the said Phyllis H. Townshend, non-resident defendant, warning her to appear in this Court in person, or by solicitor, on or before the 22nd day of September next, to show cause, if any she has why a decree ought not to be passed as prayed. In The Circuit Court for Kent County
In Equity No. 1880

In Re Trust Estate
of
William T. Lusby

The object of the petition filed in the above entitled case is to procure a decree for the sale of the Home Farm of William T. Lusby, late of Kent County, deceased, and to reinvest the proceeds of sale for the parties in interest, and in the event the farm cannot be sold for an adequate price to mortgage same for a reasonable sum with which to make necessary repairs.

The Petition states:

1. That William T. Lusby, late of Kent County, departed this life on or about the 26th day of July, 1902, leaving a last Will and Testament which was duly admitted to probate by the Orphans' Court of said County, certified copy of which is attached hereto and made a part hereof, and marked "Complainants' Exhibit No. 1."

2. That under Fourth Item of said Will the Testator devised the Home Farm, purchased of James A. Pearce, Trustee under Will of Robert J. Lusby, to Garrett Foxwell in Trust to pay net income of same to the said Robert Lusby, during his life, and after the death of said Robert Lusby in fee to the children of said Robert Lusby; and in the event of the death of said Robert Lusby, without leaving such children in fee to the children of Wm. Loller, the children of Robertine Benton and children of Mollie Foxwell.

3. That by Order of Court passed July 2nd, 1918, the said Thomas W. Perkins was appointed Trustee in the place of Anthony H. Johnson, deceased. That the said Robert Lusby, adult, one of the Petitioners and life tenant named in said Will is now living and resides in Wilmington, Delaware, and has two sons living, one Wm. Lusby, adult, and another son, Vincent Lusby, who is sixteen years of age, and both sons reside with their father in Wilmington, Delaware.

4. That the children of Mollie Foxwell are as follows: Rose A. Kaiser, Mattie LaBerrer, Sallie Moler, John Foxwell and Charles Wilkinson, all adults, and residing in Baltimore City, State of Maryland.

That the children of Wm. Loller are as follows:

Ethel Morris, adult, who resides in Kent County and Lusby Loller, adult, who resides in Philadelphia, Pa.

That the children of Robertine Benton are as follows: Mollie Essery, adult, who resides in Baltimore City, Md.

5. That the said Home Farm is located near Chesterville in Second Election District of Kent County, Maryland, and contains 150 acres of land more or less.

6. That the buildings and fences on said farm are in a dilapidated condition, and the stable by deterioration is entirely gone, thereby making it impossible to secure a proper tenant for the tillage of the farm. That at the present time the farm is not yielding sufficient income with which to pay taxes, insurance and repairs, after first paying the Landlord's share of expenses for tilling farm.

7. That it would be for the benefit and advantage of all the interested parties to have the said farm sold and the proceeds of sale reinvested in some more productive investment.

That in the event a sale of said farm cannot be made for reasonable adequate price, it would be to the interest and advantage of all the parties concerned to borrow a reasonable sum of money by giving a mortgage on said farm as security, with which to build stable and make other necessary repairs to buildings on said farm in order to secure a proper tenant for tilling of said farm.

That on account of the dilapidated condition of buildings on said farm and no stable, the said Trustee has been unable to rent said farm for the coming year.

It is thereupon, this 6th day of August, 1930, ordered by the Circuit Court for Kent County, in Equity, that the plaintiffs by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 8th day of September next, give notice to the said Lusby Loller, non-resident defendant, warning him to appear in this Court in person, or by Solicitor, on or before the 22nd day of September next, to show cause, if any he has, why a Decree ought not to be passed as prayed.
