QUEEN ANNES HORSE SHOW MONDAY

The 10th annual Queen Annes County horse show will be held on the farm occupied by Mr. Bennett Carter 1 mile from Centreville on the road from Centreville toward Hope on Monday, September 1st, Labor Day. A number of Kent horses will be shown.

Blue-blooded horses from all parts of Queen Annes and adjoining counties, as well as neighboring states, will meet in Centreville to participate in the Tenth Annual Horse Show classic.

The judges will be Janon Fisher, Jr., and John W. S. Foster, of Eccleston, Maryland, both of whom are well known and regarded as among best qualified judges of horseflesh in the East.

The annual show will start at 1 o'clock Labor Day, and the program will include seven classes and three exceptionally interesting races. The flat races will bring together such well known entries as Jennie June, owned by Harman Whiteley; Flitterman, owned by Victor Noyes; Graybar, owned by John McKenney and Fox, owned by Charles Quimby. Jennie June has been sweeping the courses in recent events and considerable rivalry has developed for the county show race.

Two other races of general interest will be the flat race for horses that never have won a contest over a mile course and the steeplechase. The steeplechase or point-to-point will be over a two-mile course of natural hunting country, with all riders racing in full silks.

Entries include horses from Elkton, Newark, St. Michaels, Baltimore and from various sections of Queen Annes, Kent and Talbot counties.

ASKS FOR SHORE DROUTH RELIEF

Dr. Simonds, of the Extension Service and Mr. Melvin Stuart, secretary of the State Farm Bureau, are endeavoring to have the Eastern Shore of Maryland included in the area to be benefitted by reduction of freight rates on feed shipped in, due to the drouth.

The fifty per cent reduction on feed freight rates will mean approximately $7000 to Kent county farmers at a time when it is badly needed.

The activities of the federal drouth relief commission have so far failed to formulate plans for federal financial aid to farmers who cannot show sufficient collateral and these are the farmers who really need the support of the commission as local funds are available for those who are financially sound.

The milk checks which are a big item among local farmers have dropped 70 per cent. due to lack of pasture and many farmers are using their winter feed supply in order to keep their herds up.

—Some large catches of fish by Chester River and Rock Hall seinmen the past week have been reported. Many of the Rock fish caught were oversize and had to be returned to the water. The dry weather, which has caused our waters to become much salter than usual, are said to be the principal reason for these large fish coming to our local waters.

RESOLUTIONS OF RESPECT

At a regular meeting of the Vestry of North Kent Parish held in August, 1930, the following resolutions were passed.

Whereas, it has pleased Almighty God in His divine wisdom to call to his eternal rest the soul of our friend and fellow Vestryman, Clarence S. Hurlock; therefore be it

Resolved, That, we, the Wardens and Vestrymen of North Kent Parish, place on record our deep sorrow upon the passing away of one, who as vestryman for 56 years of North Kent Parish has served his church faithfully. His simple and unquestioning faith in God; his genial, kindly spirit bound him to everyone in the Parish with the strongest of bonds. A devout believer and a faithful Christian soldier he has entered triumphantly into the joy of his Lord.

We herein wish to express to his sorrowing family assurance of our heartfelt sympathy and of our prayers that our Heavenly Father may hold him in His loving mercy and protection through Jesus Christ and that the Holy Spirit may be his constant comforter. Be it further

Resolved, That a copy of this be sent to his family and a copy be published in the Kent county papers and The Eastern Shore Churchman, and that it also be spread upon the minutes of the Vestry of North Kent Parish.

Vestry of North Kent Parish.
E. Thos. Massey, Registrar.
