DGING TEAM FOURTH STRONG COMPETITION

DEMONSTRATION TEAM SECOND AT TIMONEUM

In a thrilling contest among fifteen (15) Teams from as many Counties, the Kent 4-H Dairy Judging Team won fourth place. It was universally agreed that competition is increasingly keen in this State-wide contest. The team, Edwin McCrea, of Rock Hall, Albert Nicholson and Norman Sutton, of near Chestertown, with Walter Rees and William Carroll as alternates, did well. McCrea stood seventh among the individual contestants, Nicholson was ninth.

In the new event, "Demonstration Team Contest," Kent came in second. Walter Rees and William Carroll represented Kent. It will be recalled that Kent was first in the preliminary contest held in connection with Club Week at College Park. The final contestants were Kent, Frederick and Baltimore Teams. With different judges and with revised teams there was much speculation among the spectators at the contest as to which Team would be chosen. Each Team had many supporters. Due to the newness of this type of contest, experienced judges are scarce, and therefore outcomes are uncertain. All Teams did splendidly and were highly complimented by Daddy Jenks and "Uncle Henry." Baltimore was declared winner in this contest as in the Dairy Judging Contest. Fine sportsmanship prevailed and all 4-H'ers extended hearty congratulations to the victors.

The State Team will compete at the National Dairy Show in St. Louis next month. The six high scoring individuals, two from Baltimore, two from Hanford, and two from Frederick counties, will receive further training and the four making best records during their training period will go to St. Louis. Edwin McCrea, in his first appearance missed being among the group by a mere ten (10) points, which indicates the keenness of the competition.

In the Guernsey 4-H Club classes, William Carroll won 3rd with a heifer raised from his original Club Calf. This is fine work considering the high priced calves against which Bill's calf was competing.

The results of the other Kent entries were not known when this was written, since the judging had not been done.

Kent was well represented by the following boys, who gained valuable experience and training in handling and showing stock, and through their associations with many other 4-H Club Members, Extension Agents, and leaders, Walter and Dale Rees, William and Herschel Carroll, Frank and Clarence Sutton, Edwin McCrea, John Dixon Jesse Hurd, Robert Fogwell Ringgold Wilson, Albert Nicholson, Wilbur Morris, and among the older Club Members were Stanley Sutton, Albert Sutton, Walter Morris.

County Agents McVean and King are naturally much pleased with the fine showing made. They desire to thank all who aided in making the outcome so successful, especially the parents of the boys and Stanley Sutton, Walter Morris who helped coach the boys.

What Your Telephone Dollars Buy

The money you spend for your telephone does not buy the actual instrument. What then, DO you buy?

You buy service—constant, twenty-four hour service. Whether you are calling across the street or across the continent, the service is waiting for you—always ready.

You buy knowledge and experience that have taken years to acquire, and directed toward the single end that you may pick up your telephone and get the one other telephone you want out of more than 29,000,000 throughout the world.

You buy human devotion—loyalty that never wavers no matter what the emergency. The history of the telephone is filled with stories of men and women who have performed far beyond the line of duty, that the service might not falter.

These are the things your telephone dollars bring to you, things that cannot be measured in terms of price.
