YOU HAVE A DOCTOR'S WORD FOR THIS LAXATIVE

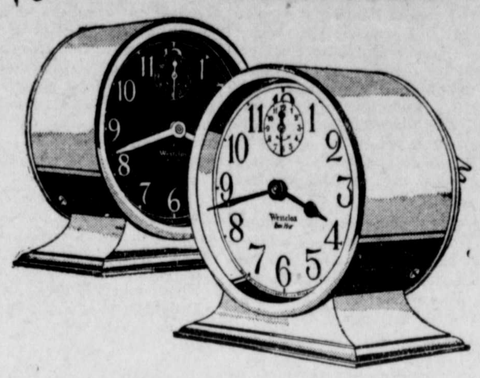

In 1875, an earnest young man began to practice medicine. As a family doctor, he saw the harm in harsh purgatives for constipation and began to search for something harmless to the sensitive bowels.

Out of his experience was born a famous prescription. He wrote it thousands of times. It proved an ideal laxative for old and young. As people saw how marvelously the most sluggish bowels are started and bad breath, headaches, feverishness, nausea, gas, poor appetite, and such disorders, are relieved by the prescription, it became necessary to put it up ready for use. Today, Dr. Caldwell's Syrup Pepsin, as it is called, is the world's most popular laxative. It never varies from Dr. Caldwell's original effective and harmless formula. All drugstores have it.
