THE ATTENTION IS called at this season of the year to the importance of having chimneys cleaned and inspected. The tendency is to build a fire of paper or small wood to take the chill off the room. This makes a very hot fire for a few minutes and is likely to set fire to a dirty chimney. The annual inspections of chimneys before fires are started may save heavy fire losses.

THE DECISION OF the Circuit Court of Kent County, as rendered by Judge Atkinson on Thursday, clearly shows that the Chestertown Commissioners have no right in law to borrow money for town improvements, nor pay off notes signed by citizens of the town for such improvements except by Legislative enactment. This being true it will be necessary for the citizens to get through the coming legislature such legislation as will make proper provision for the outstanding indebtedness of the town. This can only be done by the citizens getting together and agreeing on a measure that will be fair to all sections of the town. To do this all differences that now exist between the various sections of Chestertown must be forgotten. While the present attitude is manifest between this and that sections there ca nbe nothing constructive done. Our contention is that there should be ample provision made to be fair to all sections of the town. Chestertown needs for its own protection and advancement many necessary improvements. Without these improvements the business interests of the town will continue to go backward and not forward. Lets all get together in a common cause and put Chestertown in the improved condition that it deserves.

HURT IN AUTO CRASH

Mr. Charles C. Shreiber is suffering from bruises and shock as a result of an automobile accident in which the automobile which he was driving hit a telephone pole a short distance from Chestertown on the Fairlee highway.

While the exact cause of the accident is in doubt, it is understood that while passing a truck, Mr. Schreiber's rear bumper hit the front of the truck which threw his car to the side of the road. In order to avoid hitting the bank and turning over, he hit a telephone pole. The crash threw him out of the car into a ditch. Mr. Raymond Sutton who was passing at the time brought Mr. Schreiber to his home here. The automobile was a complete wreck.

A few hours after this accident a county dump truck ran into the bank at this same point when the radius rod bolt pulled out. Mr. Thomas Marvel, of Rock Hall, driver of the truck was not injured. The damage to the truck included a broken wheel.

HOUSE BURNS NEAR MILLINGTON

The home of John Slez, 2 miles from Millington, was completely destroyed by fire early Wednesday morning. The fire had gained considerable headway whn dicovered and the family had a narrow escape. Household furniture and clothing were completely destroyed.

The Millington fire company responded to the call and devoted their efforts to preventing the fire from spreading. The loss is estimated at $5,000.
