THE TRANSCRIPT

THE COMMISSION APPOINTED by Gov. Ritchie, to study and recommend such changes in our present election laws as would be advisable, of which committee Senator S. Scott Beck is a member, met in Baltimore Friday, November 28, 1930 and will meet again on Friday next, December 12. It occurs to us that our elections laws are very complicated and could be changed and very much simplified, and we believe the committee will make such recommendations as will be very acceptable to the average voter, especially in regard to the present provision for registering voters moving from one county in the state to another. Many voters are deprived of their votes because of the invenience and in some cases an impossibility for them to go in person to their former voting place get their transfer and return to their present residence in time to get registered.

COMMISSIONERS ORGANIZE

At a meeting of the newly elected Board of County Commissioners held on Tuesday of this week, Mr. Leonard Wilson, of Millington, was elected President of the Board. Other members of the board are Messrs. Charles D. Wood and Samuel C. Loller.

Miss Marion Caldwell was appointed clerk to the Board and Mr. Harrison W. Vickers, attorney. Dr. H. G. Simpers was reappointed jail physician.

The other newly elected officials were sworn in this week by Clerk of the Court, Robert A. Shallcross. Mr. Shallcross was sworn in by Judge Lewin W. Wickes.

REFUSES FREIGHT PERMIT

The Petition signed by patrons of the Ericsson Transfer Co. and the efforts made by the Kent County Chamber of Commerce and the Del-Mar-Va Association, to the Public Service Commission asking them not to grant any permits that would interfere or depreciate the present service now given by the Ericsson Transfer co. was carefully taken into consideration by the commission at the hearing on November 18th.

The evidence produced before the commission proved beyond a doubt that the business men on the routes now covered by the Ericsson Transfer Co., are all pleased and satisfied with the service now being given, in as much as the Public Service Commission has not had one single complaint before them in the nine years it has been in operation.

On November 28, the Public Service Commission after careful consideration found that the service now given by Mr. H. J. Plant of the Ericsson Transfer Co., was adequet and refused and dismised the application made by the Baltimore Transfer Co., to cover his territory. Mr. Plant was granted a permit to haul local freight to points covered by him on his intre state permits and may now haul local freight from Cambridge.

PERSONALS AND SOCIALS

Mrs. Robert Moffett returned from Easton hospital on Thursday. Mrs. George McWhorter is undergoing treatment at that institution.

A very pretty tea was given by Mr. H. A. Kratzer on last Friday afternoon in honor of her daughters, Mrs. Robt. Wood and Mrs. Shaughnessey. Mrs. Wood has recently returned from Porta Rico where her husband was engaged in business and the walls of Mrs. Kratzer's home were decorated with Mrs. Wood's paintings. These paintings show the rich luxuriant foliage of the Tropics, the intense blue of the waters, the shady pools and many other interesting features, of Porto Rico, Haiti, St. Croix and St. Thomas islands and they were thoroughly enjoyed by all present.

Mr. and Mrs. Lawrence B. Strong, and daughter, Mary Jean, and Mrs. T. B. Kilbourne, were Thanksgiving guests of relatives at Laurel.

Mr. and Mrs. Carroll Waller, of Baltimore, were the week end guests of the latter's parents, Mr. and Mrs. Julian Jones, near town.

Mrs. Crow left on Friday for Williamsburg, Va., to visit her sister, Mrs. Beaston.

Rev. and Mrs. William Revelle and son, William, from North East, were guests at Thanksgiving and until Saturday of Mr. and Mrs. Edgar Culley.

Miss Effie Townsend, of Washington, D. C., has been the guest of Dr. and Mrs. H. G. Simpers here. She is the sister of Mrs. Simpers.

Dr. J. S. W. Jones, of Washington College, visited his daughters, Misses Miriam and Virignia, in Baltimore, several days last week.

Mr. and Mrs. Irving Sparks and daughter, of Baltimore, spent the week end the geusts of the former's parents, Mr. and Mrs. A. L. Sparks.

Mrs. Carrie Ways, of Baltimore, spent Thanksgiving the guest of her daughter, Mrs. Leonard C. Needles.

Mrs. H. C. D. Wilkison and son, Prof. and Mrs. John W. Wilkison, of Baltimore, spent Thanksgiving the guests of the former's parents, Mr. and Mrs. John W. Barnes.

Mr. Rufus Collins has purchased through W. B. Copper, agent, the dwelling on High street belonging to the late Mr. and Mrs. James Bramble Price is said to be $2000.

Mr. and Mrs. Dell Hendershott and mother, Mrs. Mary Hendershott motored to Harrisburg, Pa., on Saturday and spent the week end the guests of Mr. and Mrs. Howard I. Cotton.

TO INCREASE GAS PRESSURE

Following a complaint of city gas pressure made this week by a Chestertown lady, and the forwarding of the complaint to Mr. Adams, superintendant of the local plant, by the Kent County Chamber of Commerce, the following letter from the Philadelphia office was received this week:

Mrs. Nell C. Westcott, Executive Secretary,
Kent County Chamber of Commerce,
Chestertown, Maryland.

Dear Mrs. Westcott:

We thank you very much for your letter of December 3rd enclosing clipping from the Baltimore Sun.

We are very sorry indeed that there should have been any cause for complaint and that the cause was not eliminated before it was necessary for any one to complain to the Public Service Commission or to you.

The reason for poor pressure is, of course, a normal one. Because of the lower rates which we inaugurated two years ago the business in Chestertown has grown very rapidly and especially at this time of the year when there is considerable heating load the pressure is insufficient to deliver the gas to all parts of the city. The pressure on the mains is given to the gas by the weight of the lift of the holder at the gas works and with the present equipment there is nothing that can be done to correct the situation. We have, however, placed an order for a booster which is a steam driven gas pump. This pump we expect to have installed in the next two weeks after which we are quite sure all complaints will disappear. The pump will be operated during the peak load hours and will insure sufficiency of gas to all our customers who will be able to cook without any misgivings as to the results.

Let me assure you that I appreciate your cooperation and that it is our desire to serve our customers with as good gas and as good service as may be secured anywhere.

Your very truly,
ATLANTIC GAS COMPANY,
H. HENRY GILLERT, President.

KENT'S ROAD PLAN ATTRACTS

The million dollar bond issue which gave Kent County over a hundred miles of improved road in one year has attracted much attention in highway circles throughout the country and now an inquiry has come to the Kent County Chamber of Commerce showing that this interest is being carried into educational circles as well.

A professor of Rural Sociology of the Pennsylvania State College writes in for certain details of the plan and how it affected the tax rate of the County. Dr. Dennis in his letter says: "A bulletin describing the Kent County road program, endorsed and encouraged by your organization, has just come to my attention. I am much impressed by its excellent features. I believe it should be called to the attention of my students who are preparing for various sorts of rural leadership."

The Chamber welcomes such inquiries and gives prompt and detailed replies to all questions as they come.

In several statements recently on state road work, Mr. Howard Bruce of the Maryland State Roads Commission has cited Kent's program as being practical and outstanding in the solution of road problems.

The Portland Cement Association has issued 180,000 pamphlets and are broadcasting them throughout the nation. This wide advertising of the roads is placing Kent substantially and noticeably on the map.
