Ella May Bradley Conklin
vs.
George Conklin

In the Circuit Court for Kent County
In Equity No. 2643

The object of the Bill filed in the above entitled case is to procure a Decree for divorce a vinculo matrimonii for the plaintiff against the defendant a non-resident of the State of Maryland.

The Bill states:

1. That on the 16th day of July, 1922, Ella May Bradley Conklin was married to a certain George Conklin, of Magnolia, in the State of Delaware, with whom she had been living ever since as his wife, until June, 1926, and that she had by said marriage one boy, Earle Medford Conklin, born March 16th, 1923, in Kent County, Delaware.

2. That for some years past the said George Conklin, her husband, has treated her with great cruelty, harshness and brutality, at times striking and beating her, and that during the month of June, 1926, his conduct became so intolerable that she was obliged to leave his house.

3. That he has ever since by treats and violence, prevented her from returning to his house and has refused to permit her to live with him, and will not contribute anything to her support.

4. That ever since the said marriage your oratrix has behaved herself as a faithful, affectionate and chaste wife towards the said George Conklin, and her entire conduct has always been beyond reproach.

5. That your oratrix is wholly destitute of means of supporting herself during the pendency of this suit, or of defraying the costs and expenses attending the prosecuting of the same.

6. That your oratrix has resided in Kent County, Maryland, since the month of December, 1926 continuously; that she has been a bona fide resident of this State for a longer period than two years and now resides at Kennedyville, Maryland, and that your oratrix is at present unaware of the whereabouts of her husband.

7. That said defendant, George Conklin, is a non-resident of the State of Maryland and your oratrix believes he resides at Dover, State of Delaware, or care of Noah Loper, Magnolia, Delaware.

8. That though the conduct of your oratrix towards her said husband, George Conklin, has always been kind, affectionate and above reproach, the said George Conklin, has, without any just cause or reason, abandoned and deserted her and has declared his intention to live with her no longer, and that such abandonment has continued uninterruptedly for at least three years, and is deliberate and final, and the separation of the parties beyond any reasonable expectation of reconciliation.

It is thereupon, this 21st day of November, 1930, ordered by the Circuit Court for Kent County, in equity, that the plaintiff, by causing a copy of this order to be inserted in some newspaper published in said Kent County, once in each of four successive weeks before the 22nd day of December next, give notice to the said George Conklin, non-resident defendant, warning him to appear in this Court in person, or by solicitor, on or before the 5th day of January next, to show cause, if any he has, why a decree ought not to be passed as prayed.

True copy,
ROBERT A. SHALLCROSS, Clerk.
