The weather has been against us; the people haven't felt the need of fall and winter clothes as rapidly as we expected. In short, we prepared for a much greater business, and our store is jammed with fine merchandise.

Now we surrender. If you want low prices—here they are. We've got to reduce our clothing stocks, and we're going to do it in the next two weeks.

Prices on hundreds and hundreds of our very finest suits and overcoats have been so drastically reduced that any man who expects to need new clothes can afford to get them now.
