KENT LOSES SINGING CONTEST

Kent County lost to Talbot in the Farm Bureau singing contest held in Baltimore Thursday evening.

The locals, under the leadership of Mr. Stanley Sutton did their best to harmonize their winter cold base and cornfield tenor and it was pretty good but not good enough. Kent's chorus included 16 male voices and the question is who caused the discord. In the preliminary contest Kent lost to Talbot by one vote and then Talbot showed the four Western Shore teams and the Baltimore City team some real honest-to-goodness singing.

Mariner's Methodist Protestant Church, Crisfield, one of the oldest in Somerset County was destroyed by fire on Sunday afternoon.

Origen of the fire is unkown.

Mariner's Church was one of the finest buildings of its type in tha county and was erected at a cost of approximately $75,000. Insurance to about one third of its value was carried on the building.

Plans are already under way for the building of the church, and it is probable that a temporary Tabernacle will be erected to house the congregation, until such time as a new and more substantial edifice can be built.

ACID STOMACH

EXCESS acid is the common cause of indigestion. It results in pain and sourness about two hours after eating. The quick corrective is an alkali which will neutralize acid. The best corrective is Phillips Milk of Magnesia. It has remained standard with physicians in the 50 years since its invention.

One spoonful of Phillips Milk of Magnesia neutralizes instantly many times its volume in acid. It is harmless and tasteless and its action is quick. You will never rely on crude methods once you learn how quickly this method acts. Please let it show you—now.

Be sure to get the genuine. "Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

CHILDREN CRY FOR IT—

CHILDREN hate to take medicine as a rule, but every child loves the taste of Castoria. This pure vegetable preparation is just as good as it tastes; just as bland and just as harmless as the recipe reads.

When Baby's cry warns of colic, a few drops of Castoria have him soothed, asleep again in a jiffy. Nothing is more valuable in diarrhea. When coated tongue or bad breath tell of constipation, invoke its gentle aid to cleanse and regulate a child's bowels. In colds or children's diseases, you should use it to keep the system from clogging.

Castoria is sold in every drug store; the genuine always bears Chas. H. Fletcher's signature.
