TRI-CENTENNIAL ON KENT ISLAND

Plans are rapidly being formulated by a special committee of clergymen and laymen from various sections of the Diocese of Easton, in co-operation with the Rt. Rev. George W. Davenport, Bishop of the Diocese of Easton, for a Tri-Centennial Celebration of the First Church Service in Maryland, held on Kent Island in 1631.

Tentative plans for the celebration were mapped out at a meeting held at the home of Bishop Davenport in Easton, when it was decided that the date of the event should be Thursday, October 15, and that it should be held at Camp Wright, an extensive tract of land overlooking Chesapeake Bay, on Kent Island, recently deeded the church by DeCourcy W. Thom, of Baltimore.

The tri-centennial celebration will take the form of an elaborate and colorful pageant, and a historian has been dispatched to Washington to visit the Congressional Library and obtain authentic details concerning costumes and accoutrements for those who represent Claiborne and other figures of the early Colonial period.

Different parishes of the Diocese will provide ten or twelve tableaux depicting various stages of church progress and historical development from the days of Claiborne's landing to the present time.

IN MEMORIAM

In memory of our dear father and husband who departed this life February 23, 1923.

I seem to see in the soft dim light
A face I loved the best.
And think of him when the sun's last ray
Goes down in the far ofi West.

I miss you no less as the time passes on
Than I did on the day of your going
For absence can never close the door of my heart
And the lamp of my love still glowing.

Your heart was the trued in all the the wide world.
Your love the best to recall
For no one on earth can take your place
You are still the dearest of all.

Loving Wife.

Eight years has passed dear daddy.
Since you were called away.
How well do we remember that
Sad and weary day.

But some sweet day we will meet again
Beyond the toil of strife
And clasp each others hand once more.
In Heaven that happy life.

He is waiting by the river
Just across the silent stream
Where sweet flowers are ever blooming
And the banks are ever green.

Loving Children

Of Sarah E. Taylor, daughter of Mr. and Mrs. Alexander Taylor who passed away February 28, 1930.

One year has passed since that sad day,
The one we lOved was called away.
God took her home—it was his will.
But in our hearts she liveth still.

By her Mother, Father and Grandmother.

The flowers we place upon your grave
May wither annd decay.
But love for you who sleeps beneath
Will never fade away.

By her loving sisters and brothers.

CHESTERTOWN HIGH SCHOOL NOTES

A meeting of the Chestertown High School Literary Society was held during the third period Monday morning. It was opened by the school song sung by the whole school. The program was as follows:

1. A speech by William Commella on "Activities of Congress."
2. A piano solo rendered by Alice Sterling.
3. A play entitled "The Modern Version of the Making of the Flag."
4. A Russian dance given by four of the girls.
5. A piano solo by Alice Sterling.
6. Books that have been written on Lincoln, by Mary Eliason.
7. A dance by two tenth grade girls dressed as George Washington and Martha Washington.
8. A piano solo by Evelyn Bennett.
9. A Personal Appearance of "Amos and Andy" by Bill Capel and Ed. Collins.

The entire program was of great interest and was loudly applauded. The speech on "Activities of Congress" was of intence educational value as it told the present actions of congress from an unpartisan viewpoint.

During the noon hour on Friday, February 20, a basketball game was held between the Freshmen and Sophmore teams of Chestertown High School. In the first half the score was held down to F-3 S-8. But the last half ended with the score Sophmores-28, Freshmen-5. For an unexperienced team the Freshmen put up a good fight.

For this month five girls won the championship for typing. They are: Maude Duyer, Lillian Ford, Rose Gordon, Ella Meeks, and Elinor Rolfe as a prize they will each receive a bronze medal.

The faculty is giving an intelligence test to each pupil in the High School. This test will show the intelligent quotient of each pupil. By intelligent quotient is meant the student's ability to adopt himself to new situations.

Chestertown High suffered a defeat at the hands of Cambridge High last Tuesday night. Both girls and boys games were played. In the girls game at the end of the half Chestertown was in the lead with a score of 6 to 4. But in the last half by a pretty exehition of pass work the Cambridge girls won the game with a score of Cambridge 25, Chestertowwn 11. In the boys game the Cambridge team took the lead in the first few minutes and by a good defense held it until the half closed with a score of Chestertown 6 Cambridge 16. The final score was Chestertown 16 Cambridge 30.

The first P. A. L. basketball game will be played with Wicomico High School at Easton on February 27. There have been some changes in the rules especially in case of a tie. We are reprinting an extract from Mr. Pitman's letter:

"In case of a tie at the expiration of the second half, two extra periods of three minutes will be played. If the score still remains a tie each player in the game at the end the second three minutes priod shall have one free throw at the basket from the free throw line. Each goal shall add one point to he total score."

A two-act play entitled "Revolutionary Days" picturing a short part of Washington's life in modern version was given at joint meeting of the Junior History Club. Objects were represented by people. The list of characters were:
