NEWS OF SPORTS

MARYLAND DEFEATS WASHINGTON IN LACROSSE

The University of Maryland Lacrosse team defeated Washington last Saturday by the score of 8 to 1. Maryland scored two goals in the first four minutes of play. Washington however made a very good showing despite the score as many of Maryland's goals were of the fluckey variety. Washington's whole team performed very well. Williams at goal played an exceptionally good game and Robinson made Washington's lone talley.

Maryland generally has one of the best lacrosse teams in the country and the fact that they used their first team throughout the entire game shows the pace to which our team was forcing them. Maryland defeated the University of Georgia the week before by the score of 20 to 3.

Coach Crowthers was well pleased with the showing made by his team and expects to crash through into the win column before the season is over, and we would not be surprised to see him do it.

This is the first year that Lacrosse has had the advantage of getting the best athletes at the college, because until this year the best athletes have been on the basball team. Baseball was discontinued this year and Lacrosse is the only spring sport for men at the college.

Two Games This Week end

Washington College Lacrosse team will do a very unusual thing this week end, when they will play two games within two days. Lacrosse is a very strenuous game and like foot ball is seldom played by a team two days in succession. The schedule for the season is as follows:

April 11—U. of Md. 8		W. C. 1
April 17—New York Unv.		New York
April 18—Stevens Inst.,	Hoboken, N. J.	
April 24—Lafayette		Home
April 29—St. Johns		Annapolis
May 9—U. of Virginia		Charlottesville
May 16—Swarthmore		Swarthmore
May 23— Western Md.		Westminster

A scrub base ball team from Washington College defeated the Chestertown High School team Thursday afternoon by the score of 18 to 7. The College has no regular baseball team this year but has some very good players. Don Falls, Jr., and James Coleman did the pitching for the High School.

A Kent County baseball league will probably be formed this year. Details of this new league will be found elsewhere in this issue. Only Amateur players will be used and no money will be paid to players. The teams will all be in Kent County.

Galena, Rock Hall and Kennedyville will play professional ball in the Chesapeake Bay League.
