

POISON

in Your bowels!

Poisons absorbed into the system from souring waste in the bowels, cause that headachy, sluggish, bilious condition; coat the tongue; foul the breath; sap energy, strength and nerve-force. A little of Dr. Caldwell's Syrup Pepsin will clear up trouble like that, gently, harmlessly, in a hurry. The difference it will make in your feelings over night will prove its merit to you.

Dr. Caldwell studied constipation for forty-seven years. This long experience enabled him to make his prescription just what men, women, old people and children need to make their bowels help themselves. Its natural, mild, thorough action and its pleasant taste commend it to people of all ages. That's why "Dr. Caldwell's Syrup Pepsin," as it is called, is the most popular laxative drugstores sell.

SIGNS OF SPRING

A VEST POCKET ESSAY ON CHANGING SIGNS OF SPRING

One can always tell when Spring is coming because a lot of young green things come out and the saps start running. The saps are behind the steering wheel and the green things occasionally come up for air in the rumble seats. Then the birds and the Florida tourists start North, and the feminine Spring Song is chanted, a thing to wear." Dad starts practicing girth control at this season. He used to spade up the garden and hope to raise vegetables as pretty as the pictures. Now he digs up the earth with a golf club and hopes to lower his score and his waist line. It's a Scotch game all right, for the devotees start out with the avowed intention of gathering exercise and then expend as few strokes as possible. Kid used to take their sulphur and molasses, and beg to take off their itching underwear and play shinny in the back lot. Now they demand new knickers, a ne wset of golf clubs and membership in Dad's Club. Another sign was when Mother wrapped a towel about her hair, got a wild look in her eyes and charged into house cleaning with the abandon of a head hunter on a rampage. Now daughter just calls the moving van and starts wielding the old can opener in the alleged kitchen of a newly built apartment and leaves the dirt behind. Even Will Shakespeare's sign fails, for with steam heat and closed cars a "young man's fancy lightly turns to thoughts of love" any season—and they are all young men now. Dad used to say "Three swallows don't make a summer"—and he is happy to get one good swallow now. How times do change!

Around the farm the fleecy lambs and butter-ball pigs are gamboling on the green. The Durocs are attractively dressed in red, the Berkshires in black ensembles, while the picturesque Hampshires have sport costumes with white girdles. The farmer in the meantime is doing a bit of gambling with his long green coin of the realm, if his pigs gambol on anything but clean ground as free from parasite eggs as possible. Then the early rising bird that carries down the house refuse to his hogs for their rye opener could sleep a half-hour longer, forget to do this chore, and be happier and wealthier. About 50 lbs. of this mongrel food stuff, when fed to an otherwise happy hog, will—if nothing happens—make he, she or it, one pound heavier. However, if any infected bones, rinds or scraps of pork are in this delectable dish, something does happen—and how! Approximately 90 per cent. of the reported outbreaks of hog cholera in Maryland are duet to this cause. If the average family produced 50 lbs. of such wastes in a week, at current pork prices, ft would be worth about 8 cents. This cut rate price of a good cigar is too small a saving for taking so big a chance on the lives of the Spring pig crop, and the Fall profits.

When BABIES are Upset

BABY ills and ailments seem twice as serious at night. A sudden cry may mean colic. Or a sudden attack of diarrhea. How would you meet this emergency—tonight? Have you a bottle of Castoria ready?

For the protection of your wee one—for your own peace of mind—keep this old, reliable preparation always on hand. But don't keep it just for emergencies; let it be an everyday aid. It's gentle influence will ease and soothe the infant who cannot sleep. It's mild regulation will help an older child whose tongue is coated because of sluggish bowels. All druggists have Castoria.
