CHURCH NOTES

Salem M. E. Church

Services May the 3rd; Sunday School at ten, Mr. Weldon Walbert, Supt. There is sometimes a question as to whether or not folks need the presence of a friend, there is no question at all relative to the fact that we need you. You are the very one that we do need! Will you see us on the third at Sunday School? Preaching at eleven, every service is for you. The League service Sunday evening was a wonderful service very much enjoyed by practtcally everyone of 64 persons. Miss Marjo Wheatley, of Chestertown, gave an inspiring talk about the Institute. The Quartett of Washington College was also very much enjoyed. Mr. Earl Willis, of Washington College, a fine young man, spoke of the Institute and of what it had meant to him. And then last but not least by any means was Mrs. Hudson who is always good, and always enjoyed. All in all it was a service worth driving many miles to attend. These services are made possible by the wonderful cooperation on the part of all the officers. They are truly a great combination. Mrs. Weldon Walbert will be the leader on the evening of the 3rd of May don't miss such a treat if it is possible for you to be present.

The pastor is much pleased to have you present, and there is always some one at the services that you will be glad to see. Our aim is to have the Church filled for the evening services and we do not think our aim is too high. The services will begin at seven and we should be able to get thru in good time, you will therefore have much of the evening after service. We want to see at least fifty at the service on the evening of the 3rd of May. Come and see if our expectation and desire is satisfied.

The Kent 4-H Clover Calf Club team will meet the Millington 4-H Boys Club team at 1 p. m., following which they will play the Handy Andy line up on the same diamond.

CALF CLUB HONORS FORMER LEADER

The Handy Andy 4-H Calf Club at a special meeting, held at the home of Mr. and Mrs. John C. Dixon, of near Massey, last Wednesday night, April 22nd, had as their guest their former Local Leader, Mr. George Clendaniel.

Mr. Clendaniel helped organize the club last year and worked faithfully with them until his appointment as Assistant County Agent of Harford County the first of March this year.

In spite of the rainy evening, twenty-two members were present, and a very interesting program was entered into by all. Mr. Clendaniel told of 4-H Club Work in Harford County and of how glad he was to meet with the Handy Andy Club again. President, Richard Sutton presented Mr. Clendaniel with a little gift, a token of their appreciation of what he has done for them.

WHEN FOOD SOURS

ABOUT two hours after eating, many people suffer from sour stomachs. They call it indigestion. It means that the stomach nerves have been overstimulated. There is excess acid. The way to correct it is with an alkali, which neutralizes many times its volume in acid.

The right way is Phillips Milk of Magnesia—just a tasteless dose in water. It is pleasant, efficient and harmless.

It is the quick method. Results come almost instantly. It is the approved method. You will never use another when you know.

Be sure to get the genuine Phillips Milk of Magnesia, the kind physicians prescribe to correct excess acids. 25c and 50c a bottle—any drugstore.

"Milk of Magnesia" has been the U. S. Registered Trade Mark of The Charles H. Phillips Chemical Company and its predecessor Charles H. Phillips since 1875.

THE FORD TUDOR SEDAN

EVERYWHERE you go you hear reports of the good performance and reliability of the Ford.

One owner writes—"The Ford Tudor Sedan I am driving has covered 59,300 miles through all kinds of weather. It is still giving perfect satisfaction."

Another owner describes a trip of 3217 miles in 95 hours over bad roads and through heavy rain and sleet in the mountains. "Throughout the entire trip," he writes, "the Ford performed excellently and no mechanical trouble of any kind was experienced. The shatter-proof glass undoubtedly saved us from serious injury when a prairie chicken struck the windshield while we were traveling at 65 miles an hour."

See the nearest dealer and have him give you a demonstration ride in the Ford. Then, from your own personal experience, you will know that it brings you everything you want or need in a motor car at an unusually low price.
