PENINSULA NEWS

Mr. F. A. Warren and family recently took their Cadillac car and went away on a summer outing. A colored man working for them offered to take care of the place while they were away. His offer was accepted and the family left home joyously, believing they would find everything in good shape when they returned home. They were gone several days, and when they returned you could tell by the feeling shown by Mr. Warren, Sr., that something had happened, and that his faithful and accommodating servant had been slightly remiss in his duties. In the first place he could not be located anywhere on the premises. In the second place the humble Dodge was gone. Then the Warrens got busy to see what the enterprising son of Ham had carried off with him. Mr. Warren says he took all the money they had left in the house, all the silverware, linens, curtains and many furnishings. He really gutted the place and covered up his tracks so completely that no trace of him can be found.

A young woman, about 22 years of age, who refused to give her name attempted to commit suicide in the surf at Ocean City, Monday afternoon.

She swam out in the surf in front of the Majestic hotel about a mile and a quarter. She attracted the attention of the life guards and also the pilot of an airplane, who reported to the guards that a school of sharks were in the vicinity of the swimmer.

The guards—Ed Carr, Sam Temple and John Law—started out in a boat after her. When the guards reached her the woman fought desperately and refused to get in the boat, declaring she wanted to die.

It is said that one of the guards had to knock her unconscious to get her in the boat and ashore.

Crisfield is in the midst of the first strike of major importance that it has ever experienced. Last Tuesday morning between five and six hundred crab pickers, most of whom are colored women, refused to go to work when the packers reduced the price for picking meat to 25 cents a gallon. Until Tuesday, the price had been 35 cents. In several instances the women threatened violence, congregating around some of the larger packing houses, notably that of Mr. Charles A. Lockerman.

Sheriff Luther Daughtery and his deputies, assisted by the Crisfield police, patrolled the waterfront and succeeded in dispersing the crowds without great difficulty.

The packers of Crisfield decided sometime ago that the price for picking crab meat would have to be reduced, owing to the low market which has prevailed all year on crab products. Practically all of the packers decided to put the new wage price into effect last Tuesday morning, and the strike resulted. The laborers on Tuesday held a meeting in the Negro Odd Fellows Hall and agreed not to go back to work until the packers put the old price of 35 cents per gallon into effect. At this season the laborers can stay idle for some time without serious results. Watermellons, cantaloupes, peaches and fruits of all kinds can be had for practically nothing, and it is said that many of these people can live comfortably on this diet for an indefinite period.

An armed robber, entered the American Stores building, on Race St., Cambridge, Saturday night after ten o'clock and at the point of a pistol took $595.98 from the cashier, Mrs. Carl Dayton, who was in the back room counting the money. Three clerks were also in the back room where the counting was done.

The twenty-four dollars in gold given away by St. Dennis Church, Galena, was awarded as follows:

$10.00, Mr. Paul Comegys, Millington, and Mrs. William LeCates, Sr., Galena.

$5.00, S. Richard Woodall, Jr., Georgetown.

SUGGESTS NEW TENNIS COURTS

Tennis seems to the rage. Talk is now of building several more in town. Carl Bordley would like to take the bootleggers Athletic field and build one there. This space used to contain three excellent courts. The beautiful park has been suggested as site for one.

John Barnes who has lately become quite a racket wielder is talking of building one on Cannon St.

The High School is planning to get their courts in A No. 1 shape. Reports have it that Washington College is planning to build four or more on the Athletic field.

KENNEDYVILLE WINS HALF SERIES

Kennedyville baseball team deafted Rock Hall at Washington field last Saturday in the play-off to determine the winner of the second half of the Chesapeake Bay series.

All of the scoring during the game was made in two innings, Rock Hall scoring two runs in the first inning and Kennedyville scoring four runs in the fourth.

Rock Hall started the game with a bang when with one out Fitzgerald knocked a two-bager and advanced to third when J. Williams knocked a slow roller to Archibald and no one covered first base. A long sacrifice fly brought Fitzerald home and Williams also scored when McDaniels made a wild throw to third, making the score 2 to 0.

At the beginning of the fourth inning it looked like Rock Hall's game as What, the down-the-county pitcher was keeping things well in hand.

In the fourth inning and Kennedyville at bat, Archibald was walked and McDaniel's two bagger left a man on second and third. Olife followed with a two bager tieing the score. A long fly to center field by Hurlock was badly fielded and again there was a man on second and third. A timely two-bagger by Criely scored two more runs, leaving Kenedyville in the lead 4 to 0.

The game from then on was scoreless, both teams playing exceptionally good baseball.

Mr. J. T. Kibler, president of the league and experienced base ball player umpired while Mr. Pete Rasin judged the bases.

Championship Series Starts Today

The three game championship series between Church Hill, winner of the first half of the series, and Kennedyville, last year's champs, and winner of the second half of the series, will start today when the two teams will meet at Church Hill at 2.45 p. m.

The probable line up is as follows:

Brown, lf.
Clough, 1b.
Loller, p.
R. Walls, c.

Archibald, 1b.
McDaniel, c
Oliffe, lf.

If Kennedyville continues to play the brand of base ball that they played against Rock Hall they should win the series although Church Hill's team is built around pitcher Bill Loller, of Worton. Loller is one of the best ball players in this section. Aside from his pitching his fielding and batting ability makes him a dangerous opponent.
