THE CALLING OF a special session of the Grand Jury for today, Saturday, in order to hasten the trial of George Davis for assault has the approval of the entire community. It is to be hoped that the trial will be concluded within a short time. It will set an example to every county in the state and over come the dissatisfaction caused by the prolonging of serious cases. This is the worst criminal offense that has been committed in the county for a long period of years.

SOPHS TROUNCE FROSH

In the traditional football clash between the Freshmen and Sophomores of Washington College on Kibler field Wednesday afternoon, the Rats were trounced 18 to 0 by a more experienced and heavier Sophomore team.

Captain Johnny Starkivitz, of the Freshmen, won the toss and elected to kick and the ball carried over the goal line and was brought out to the 20 yd. line. With Hodgson and Proudfoot carrying the ball for the Sophs a first down was made but failing to gain further they kicked and an exchange kick by the Frosh again put the ball on the Frosh 40 yd. line.

The Sophs then started a drive, which was marred by several penalties, and finally stopped when Wallace of the Frosch intercepted a pass on their own goal line. They then kicked out of danger the kick was returned to the 20 yd. line and Mooney, for the Freshman ran 20 yds. before being forced out of bounds as the puarter ended.

The Sophs scored early in the second guarter when the Frosch kick was short and Hill, Soph captain carried the ball over. Carey missed the try for the extra point.

The Sophs kicked off and the Frosch started a drive that was not haulted until a fumble compelled them to kick. Following an exchange of kicks the half ended.. Between halfs a short battle royal was staged by girls of the two classes.

In the second half the Sophs had things pretty much their own way and scored two more touchdowns. Hodgson, Hall and Proudfoot carrying the ball with good interference by their classmates.

HEARING ON BRIDGE CLEARANCES

1. The War Department has under consideration the question of establishing standard minimum clearances for bridges to be constructed in the future across certain navigable waterways in accordance with provisions of Acts of Congress. To consider the minimum clearances which should be required for future bridge construction across the streams named below, a public hearing will be held in the Court House at Chestertown, Md., at 2.30 p. m. Wednesday, December 2, 1931:

Bohemia River, Md.
Chester River, Md.
Elk River, Md.
Sassafras River, Md.

2. As a basis for discussion at the hearing, the following minimum clearances are submitted for prior consideration by interested parties:

Bohemia River, Md., mouth to head of tidewater 40 ft. horizontal 12 ft. vertical.

Chestaer River, Md., mouth to Chestertown, 80 ft. horizontal 12 ft. vertical.

Chester River, Md., Chestertown to Crumpton 60 ft. horizontal 12 ft. vertical.

Chester River, Md., Crumpton to limit of tidewater 40 ft. horizontal 10 ft. vertical.

Elk River, Md., mouth to Back Creek 150 ft. horizontal 12 ft. vertical.

Elk River, Md., Back Creek to Bridge St. Elkton 60 ft. horizontal 12 ft. vertical.

Sassafras River, Md., mouth to Georgetown 60 ft. horizontal 12 ft. vertical.

Sassafras River, Md., Georgetown to head of tidewater 40 ft. horizontal 10 ft. vertical.

3. All interested parties are invited to be present, or to be represented at the above time and place, particularly navigation interests and the officials of any state, county, city, town or association, whose interests may be affected by the establishment of standard bridge clearances on the above waterways.

4. It is requested that interested parties set forth in writing, prior to the date set for public hearing, all important facts and arguments which they desire to submit for consideration by the War Department. These written statements should be submitted in triplicate by mail to the District Engineer, U. S. Engineer Office, 300 Custom House, Baltimore, Md., but may be handed in at the hearing. While written statements are preferred, oral statements will not be refused. At the public hearing, all written statements received will be read for the information of those present, after which the meeting will be open for discussion.

—Colonel Staunton Brown has applied to the U. S. Dept. of Engineers for a permit to build a pier at his new home on Chester River. The pier is to be 261 ft. long with a 24 ft. el.

ORDER
A Text For Every One

What Comfort, what Strength, what Economy there is in Order—Material Order, Intellectual Order, Moral Order. To know where one is going and what one wishes—this is order; to keep one's word and one's engagements—again order; to have everything ready under one's hand, to be able to dispose of all one's forces and to have one's means of whatever kind under command—still order; to discipline one's habits, one's effort, one's wishes; to organize one's life; to distribute one's time, to take the measure of one's duties and make one's rights respected; to employ one's capital and resources, one's talent and one's chances profitably—all this belongs to and is included in the word order. Order means light and peace, inward liberty and free command over one's self; order is power. Order is man's greatest need and his true well-being. Order is the greatest need of business. It is the slogan and the inspiration of every progressive person, to establish it in one's life is to set the scene for assured success.
