## THE TRANSCRIPT

EVERY ONE SAYS money is tight and nothing is coming in. This is apparently true as at this season of the year Kent County has practically no income, but if we circulate what money there is here among the various business in the county it will help relieve this condition. If we send it out of the county it will gradually drain what little there apparently is. Trade with the local business men and you will find some of it coming back to you.

A PEEP INTO the Chestertown Armory next week during the 4-H Clubs banquet will give one a much better idea of what to expect in the future than a careful study of the crystal ball.

Approximately 200 boys representing 4-H clubs all over the county will be in attendance. These boys will be the progressive farmers of the future and their training in 4-H club work and the present hardships facing the farming industry should fit them to meet all future adversaries.

## WASHINGTON DEFEATS HOPKINS

### A LOW SCORING GAME, THE FINAL SCORE BEING 17-13

Although the final score of the game was seventeen to thirteen the game was by no means slow. Both Hopkins and Washington used a five man defense. Hopkins carried their defense to the entire length of the floor, so it was hard for any Washington man to get set for a long shot. The Washington defense held Hopkins to two field goals for the entire contest. Both teams missed many shots.

At the first tap off, Washington got the ball but were unable to score. Neither team seemed to be able to get even close to the basket. Finally Dobkins of Washington was fouled. He made his shot. The next score of the game came when Captain Robinson followed up a long shot and scored. Huey next scored a foul. Both teams were playing a good defensive game. Finally Robinson made a break for the basket and missed but Huey followed the shot up and scored.

Hopkins at this point made their first score, a foul. The first half was nearly over as only four minutes remained to be played. Hopkins called time out. With play resumed Hopkins took the ball up the floor and missed five consecutive shots at the basket. Washington sent in Fitzgerald for Johnson and Parks Raisin, Jr., of Chestertown for Dobkins. Soon after this Hopkins made a foul and shortly Don Kelley the Hopkins ace scored the first field goal for his team. He made this score from the center of the floor.

Raisin scored a foul for Washington as the half ended. Washington was out in front 7 to 4.

At the opening of the second half Crozza scored a long shot. C. Kelley of Hopkins retaliated by making two foul shots good.

Alfred Hodgson, also of Chestertown was sugstituted for Rasin.

Hopkins called time out. Shortly after play was resumed Hopkins made one foul out of two trys. Hodgson made a break for the basket and just missed making a goal. Hopkins brought the ball down the floor and scored, trying the score at 9-9.

Corozza then missed two foul shots. Huey had a chance from the foul line and made it good. Hodgson made a quick break for the basket and scored a field goal. Hodgson was playing a good game and fans were of the opinion he should have a regular job on the team. Hopkins again called time out. Eight minutes were left to play. Hopkins then missed two fouls. Hodgson making another break for basket was fouled. He made his foul good making the score Washington 13, Hopkins 9.

Corozza, who was playing against Don Kelley, of Hopkins and who was holding him down as he had not been held before this season, fouled Kelley for the fourth time, which forced Corozza out of the game. Giriatis took his place. Kelley made both of his fouls good.

Robinson scored on a free throw. Johnson was substituted for Fitzgerald. With four minutes left to play Huey made a goal. Johnson added another score when he shot a foul. Gamble was substituted for Hodgson. Washington had the game pretty well sewed up with the score 17-11 and only three minutes left to play.

Hopkins missed a double foul and in another moment missed another foul shot. At this point a foul was called on both teams. Hopkins scored theirs and Washington missed. With a minute left to play Ward and Proudfoot were substitued for Robinson and Johnson. Hopkins was fouled again. Hopkins scored the foul as the game ended. Washington 17, Hopkins 13.

### SALARIES ONLY 5 PER CENT

The fact that the salaries of county officials of Kent county are a small part of the total cost of operating expenses as shown this week by figures which placed the salary list at five per cent of the total levy.

The salary of county officials amount to approximately $15,534 and that against the total levy of approximately $300,000 makes the above figure. If all county officials gave their services free the rate could be reduced less than 10 cents.

The above figures were submitted to us.

THE ONLY NATIONAL BANK IN KENT COUNTY

Sponsored by the U. S. Government

"Different from all other celebrations of its kind is the Bicentennial Celebration of the birth of George Washington. Sponsored by the United States Government and promoted by an especially appointed Commission of which the President is Chief, it will open on February 22, continue until Thanksgiving with particular local and national programs, taking advantage of all holidays, anniversaries, or other days which may be associated with the life of this great statesman.

"This is carrying a celebration to the people themselves and becomes in reality a crusade for better citizenship. It reveals Washington in the completeness and versalility of his talents. As the exponent of a well-lived life George Washington has no suprior in our history. Essentially a man of the out-of-doors, he maintained an active interest and participation in the social, religious and cultural life, as well as developing himself into a military genius and supreme statesman.

"Significant of his interest in field and stream is the Tree Planting Campaign which is a part of the Bicentennial. Local communities, through the co-operation of patriotic and fraternal societies, are planting rows of trees along the highway, or by-way, as a memoral to this great and good man.

"Churches are co-operating, for George Washington was an ardent devotee of religion. Every crisis found him turning to Divine Providence, not merely for help and guidance, but likewise in gratitude for benefits, blessings and protection. Exceptionally broadminded as to sectarian views, he attended church services wherever he happened to be.

"Through the agency of radio, schools and churches; fraternal, patriotic, educational and social clubs, the Bicentennial Commission hopes that every citizen of the United States will participate in the celebration of the two hundredth anniversary of the birth of the Father of Our Country, and reveal in a new light the true value of the glorious legends about the character of such a man."
