WASHINGTON TOPS MT. ST. MARY'S

STAGE RALLY AT END OF GAME TO WIN

Washington College, by its fight and spirit, nosed out a victory over a superior team last Friday night, when they defated Mt. St. Mary's college, of Emmitsburg, Md.

The first score of the game came, when Hodgson scored a foul. Soon after he dribbled around the St. Marys team and scored a double decker. Mt. St. Marys was trying long shots every time they got the ball. Johnson was fouled but missed the free toss. Mt. St. Marys finally made a long shot for their first score.

Hodgson soon after made a cut for the basket and took a pass from Robinson to score a goal from under the basket. It looked like Hodgson was on a rampage but this was his last field goal of the game.

Washington's floor work was much superior to Mt. St. Marys and it looked as though Washington had the game in the bag. At this point Mt. St. Marys missed an easy sleeper shot and when Washington recovered the ball, Johnson scored a goal. Mt. St. Marys soon retaliated with another goal made from a long shot.

Johnosn again scored a long shot but Mt. St. Marys came back with another long one. Capt. Robinson dribbled through the Mt. St. Marys team and scored. Mt. St. Marys made one of two free throws. Huey was fouled but missed his shot. Mt. St. Marys was fouled a moment later and made their chance good.

Johnson made a foul shot good. Proudfoot was then subtsituted at center for Johnson. Corozza missed a free toss. Giriatis was substituted for Hodgson. Mt. St. Marys missed another foul and Proudfoot dribbled down the floor and scored.

The first time out was called with the half nearly over. Washington's team worked up to this time had outclassed Mt. St. Marys. After the first time out however, Mt. St. Marys began to have the upper hand on the floor. Mt. St. Marys missed a foul as the half ended.

In the second half Washington started with the same line up as they had begun the game. Johnson was soon fouled but missed his free shot. Mt. St. Marys made a goal from the center of the floor.

Mt. St. Marys seemed to be having everything their own way and soon dribbled in and scored.

Washington called time out. Mt. St. Marys was in the lead for the first time; the score being 16-14.

With play resumed Mt. St. Marys made a foul and soon after that, dribbled in for a field goal.

Giriatis went in for Corozza.

Mt. St. Marys scored on a long shot and then dribbled in for another goal. On a chance to shoot a double foul, Mt. St. Marys missed both.

A foul was called on both teams and both missed. Mt. St. Marys was soon fouled again and made the shot good. Huey made a foul for Washington and Hodgson a moment later missed.

It looked like Mt. St. Marys had the game, but with eight minutes to play, Washington staged a rally. Spectators saw eight minutes of real action.

Capt. Robinson made a pretty cut for the basket and scored and a minute later did the same thing again. Huey scored a long shot and Mt. St. Marys followed immediately with another one. Johnson next scored a long one.

Proudfoot again went in for Johnson. Mt. St. Marys missed a foul. Corozza went in for Giriatis. Time was called out with three minutes to play.

Proudfoot missed two fouls. A technical foul was called on Mt. St. Marys and Huey made the foul putting Washington within one point of tying the score. The score was 25-26.

Hodgson was fouled as he dribbled in. Out of two chances, he made one good to tie the score. Robinson followed with a field goal and the game ended 28-26 in favor of Washington.

IN MEMORIUM

WARD—In memory of our dear father and husband, John Ward, who departed this life nine years ago, February 23rd.

There is a face that is haunting ever,
There's a voice that I am longing to hear.
There's a smile I'll remember for ever,
Though I try to forget each tear.

There's a sad but sweet remembrance,
There's a memory fond and true,
There's a token of affection dear,
Always a heart ache for you.

Oh God what a weight of sorrow,
Must we the lonely ones bear,
A lonely home, a silent voice,
And only his vacant chair.

We have only your memory dear father,
To remember our whole life through,
But the sweetest will linger forever.
We will love and pray for you.

Loving Wife and Children.

In sad but loving remembrance of my husband and our father who departed this life five years ago March 2nd.

Gone but not forgotten.

Mrs. Matilda Hill and children.

The deceased was born in Queen Annes county, March 21st, 1865, and was a daughter of the late Captain Daniel Friel and Christiana Friel, of that county. She spent most of her girl-hood at "Heathworth," near Church Hill, the old Friel homestead.

Other clergy present were: Rev. J. M. Walsh, Rev. J. B. Hauck, Rev. W. J. Scott, and Rev. J. J. Lynch. Interment was in Chester Cemetery.

The pall-bearers were four sons: Messrs. John F. Stokes, B. Scott Stokes, Paul C. Stokes and Edwin Stokes, and her son-in-law, John Teunis, and a cousin, S. E. W. Friel, of Queenstown.

Mrs. Martha A. Parsons, aged 75 year, wife of Thomas Parsons, died Wednesday morning at her home near Hanesville. She is survived by her husband and the following children who saw to her every comfort: Mrs. Mary R. Carver, Mrs. Martha P. Simpkins, John T., William S., Annie E., Clarence C., and Marion A. Parsons. Mrs. George F. Bacon, of Chestertown, a sister, also servives.

TO HOLD RAT PARTY

DRIVE TO START IN DORCHESTER

Arrangements for the big county-wide rat banquet in Dorchester county on March 17th are almost completed. The County Agent of Dorchester County reports that many persons are taking advantage of this opportunity to get rid of rats and that orders for the special rat baits are pouring into his office.

If everyone in the county having a rat infestation will cooperate in this campaign, many thousands of dollars will be saved by farmers and other persons. It is estimated that the labor of 200,000 men is required every year to produce the food and property destroyed by rats in the United States. It is hoped that the Dorchester County Campaign will reduce its share of the $200,000,000 loss each year in this country. From many reports on campaigns conducted previously in New England, farmers have reported an average loss by rats of about $40 a year. The use of special campaign baits appears to have been an excellent investment.

Rats are one of the fastest breeders among animals. If a pair of rats were allowed to multiply at the rate of six broods a year, for three years, there would be 359,709,482 individual rats alive at the end of this period. No wonder that rats have spread all over the world in a comparatively short time. The rapid multiplication of rats as well as their migratory habit makes it essential that everyone cooperate in this organized drive on March 17th.

TO CAN PEAS

D. E. Foote & Company at Crumpton are preparing for the canning of peas this spring. It is understood contracts will be made with Kent and Queen Anne's county farmers at $40 per ton. This represents a reduction of $20 from the price last year.
