## FIRE IN QUEEN ANNES

### P. T. BRAMBLE'S HOME ENDANGERED

Fire threatened the home of Mr. and Mrs. Polk T. Bramble in Queen Anne's county near Chestertown Tuesday morning when woodwork from around a chimney flue caught fire on the first floor.

Mr. Bramble, with the use of a fire extinguisher, held the fire in check until the Chestertown Fire Company arrived and extinguished it with the water system.

The stove pipe passed through a terracotta pipe where it entered the wooden petition and it is unknown how it could have become hot enough to set fire. The woodwork between the inside and outside petitions was badly charred.

### CECIL COUNTY COURT

The March term of the Cecil county Circuit Court will convene at Elkton on Monday next, March 14. The criminal docket comprises 25 cases and the civil docket 263 cases. The most important criminal cases on the docket is the one of George Short and James Jones who are charged with larceny. They were arrested in February in a daring robbery at the Harris clothing store, on West Main street. Both men have long criminal records and it is rumored that the State may attempt to involve the pair in several other robberies there.

### CARD OF THANKS

We wish to extend our thanks and appreciation to the Millington and Chestertown Fire Companys for their response and service to the fire which destroyed our farm buildings, and especially to all others for their assistance in many ways.

MR. and MRS. HERBERT S. FORD.

The New England Chapter of the Washington College Alumni Association will hold its annual dinner at the Hotel Waterbury, in Waterbury, Connecticut, on Friday evening, March 18, at 6.30. All interested alumni and friends of Washington College in Chestertown, who might be in the vicinity, are cordially invited to be present. The price of ticket is $2.00. John J. Carroll of the faculty of the Trade School in Danbury, Connecticut, is president and James T. Galvin of the Waterbury Democrat is secretary. It is expected that Coach J. T. Kibler, Professor Frederick W. Dumschott, and Dr. Paul E. Titsworth, and others from Chestertown will be in attendance.

## 4-H CLUB ACTIVITIES

**Kent 4-H Clover Club Elects**

The Kent 4-H Clover Calf Club met Tuesday night, March 8th, at the home of William and Herschel Carroll. The meeting was conducted by President Frank O. Sutton, who reviewed some of the outstanding accomplishments of the club during 1931, and conducted the business meeting. This being the beginning of the new fiscal year, new officers for the year 1932 were elected and the scores counted up to determine the winner of the attendance contest. The new officers are as follows: President, William O. Carroll; Vice-President, Walter Rees; Secretary, Virginia Dulin; Treasurer, Victor Hendrickson:

The attendance scores were 145 for the President's Team and 143 for the Vice-President's Team, which means the defeated Team must treat the winning side. The boys decided to hold a social March 25th as their treat.

Several new members have joined this club making a membership of about thirty. Several members are making plans to start the year with a new Pure bred calf. Look out for them.

**Handy Andy 4-H Calf Club**

The Handy Andy Club met Friday, March 4th, at the home of the Suttons' near Locust Grove. In the absence of the President, Robert Sutton, Vice-President, presided and conducted the meeting. Plans were made to continue judging practice and several expressed themselves regarding new projects for the year. They expect several new members to join during the next several weeks.

**Kennedyville**

A new boys' 4-H Club will be organized at Kennedyville in the near future. Watch for future news.

**Schedule of Meetings For Week of March 14th**

### CONTRACT TO ENLARGE SCHOOL

The contract for the enlargement of the State Normal School at Salisbury was let last week to L. L. Chambers, Inc. The favorable contract would permit of the expenditure of something like $25,000 in carrying out all of several features planned in addition to the structor proper. $200,000 for the addition, which will include a connecting link with the big central unit, was appropriated by the 1931 Legislature.

Identical with existing units on the north side these will contain a dining hall, social room, infirmary and bedrooms capable of accommodating 28 students. A spacious gym, with a seating capacity of 400, is also included.

The contract calls for completion of the addition October 1, 1932.

## NOW AND THEN

### WATCH YOUR WORDS

Let every man be slow to speak—James 1-19.
Keep a watch on your words, my brother,
For words are wonderful things;
They are sweet like the bee's fresh honey—
Like the bees, they have terrible stings;
They can bless, like the warm glad sunshine,
And brighten a lonely life;
They can cut in the strife of anger
Like an open two-edged knife.
Let them pass through your lips unchallenged,
If their errand is true and kind—
If they come to support the weary,
To comfort and help the blind;
If a bitter revengeful spirit
Prompt the words, let them pass unsaid;
They may flash through a brain like lightning,
Or fall on a hearth like lead.
Keep them back, if they're cold and cruel,
Under bar and lock and seal;
The wounds that they make, my brother,
Are always slow to heal.
May peace guard your life, and ever,
From the time of your early youth,
May the words that you daily utter
Be the words of beautiful truth.

Author Unknown.

Certainly sorrow makes the whole world kin. Those who did not rush to see Lindy in all of his truimphs are now with him and his wife in deepest sympathy. How eagerly the mails are waited for. How the radio is listened to, if happily the child is found. Never in their hitherto fortunate lives, have as many prayers been offered for them as now. Politics have taken a back seat, and the war in the east is at present of minor importance. Even the most hardened sinner must shrink at the result of his crime, if he is the kidnaper of the child.

**Good Intentions**

The people pick a happy man
And seek to give him all
For which, in life's precarious span,
A mortal mind could call.
We say, "We'll give you ease and wealth
And keep you in the sun."
Then Sorrow comes along by stealth
And sneers, "It can't be done."

Some chap will seem to beat the game
And all that's good deserve.
We envy him, but just the same
We like his sense and nerve.
We say, "We'll never let you lack
For fortune or for fun."
But sorrow makes you take it back,
Because it can"t be done.

—MORRISON

March 8, has done away with the early spring. The Magnolia, the forsythia and the other flowers that were lifting up their heads so proudly a day or two ago are bowing them now, and all their beauty is gone. After all the worst blizzard in memory was on March 13, thirty years ago. We hope that it is Winter's way of saying, "Goodby."

**Personal Opinions**

O politician bold and free,
On public topics you should be
Prepared to touch.
But your opinions old and new
Of colleagues, likewise theirs of you,
Don't matter much.

Old Boreas has been very busy for the last few days making people uncomfortable with his blasting winds. After the flowers had actually come up and smiling spring seemed right among us old March comes in to claim his own. No wonder this month is called for Mars, the great heathen war god.

The trees bend and toss their limbs under his onslaughts and everything else is blown about. But Spring cannot be far behind, and before long April will come smiling up the hill.

We read a day or two ago, of a soldier who was found frozen to death, near his body stood a dog his devoted friend. The policemen who came up shot the dog. What a pity they could not appreciate such devotion and find a home for the faithful friend for there was never found a more devoted comrade than a dog.

### OYSTERS INCREASING

Twenty-eight thousand more bushels of oysters were taken out of Maryland waters last month than in February, 1931, Swepson Earle, State Conservation Commissioner, announced Wednesday.

So far this season there has been an increase of 237,160 bushels, and with two months of the season yet to go, Mr. Earle predicted an increase of substantially more than a quarter of a million bushels.

### TEA AT CLUB ON SUNDAY

There will be a tea served at the Country Club on Sunday, March 13, from 3 to 5 p. m.

### LAST OPPORTUNITY TO SECURE BARGAINS

Today, Saturday, March 12, is the last opportunity to secure the many bargains our merchants are offering on dollar day purchases. There are real bargains offered by the Chestertown merchants for today, and all who have not done so should not lose this opportunity to get the things needed while the price is so reasonable. Remember every dollar spent with our local merchants means a dollar more added to this community.

## SPECIAL CANOE RACE PLANNED

### BUILDING DUPLICTES OF "JAY DEE"

In preparing for the Miles River Yacht Club regatta much discussion and controversy has arisen concerning proper matching of certain yachts of the "Chesapeake Canoe" type. From a hull sharp at both bow and stern and made up entirely of logs as typified in such fast sailers as Belle M. Crain. Mary Rider, Island Blossom, Mayflower, and Magic there has evolved the swift sailing craft, the "Jay Dee," which is built partially of logs but has her stern square. This yacht, the product of the craftmanship of Capt. John B. Harrison of Tilghmans, Md., owned by Mr. John D. Williams and sailed in last season's races by Capt. Buck Richardson, swept aside all competition and even 6 metre and 10 metre sloops were unequal to the task of overhauling her. Several duplicates of this boat are under construction in local yards, one of which is about two-thirds completed.

It is understood that a special race will be run for the square sterned class of boats and they will not compete in the regular canoe race.

The Jay Dee was ruled out of the canoe race at Chestertown last summer but with other boats of similar desig now being built, a special race will probably be held here also.

## CONCERT AT PERRY POINT

### LOCAL POST TO STAGE ANNUAL AFFAIR

The Frank M. Jarman Post No. 36, American Legion, will have charge of the Sunday afternoon entertainment at Perry Point tomorrow.

The various American Legion posts in the State and also other organizations provide weekly entertainments for the ex-service men who are confined to this hospital due to shell-shock and other mental diseases.

Through the cooperation of Dr. Fred Livingood and the Glee Club of Washington College the entertainment will consist of an entertainment by that group. Transportation will be furnished by the local port.

**Broadcast Pleases**

The Glee Club of Washington College, under the leadership of Dr. Fred Livingood broadcasted a concert over a Baltimore station last Saturday afternoon. It was very well received here and was praised by all those who listened in.

## COUNTY-WIDE AGRICULTURAL MEETING

### ANNUAL AFFAIR TO BE STAGED NEXT MONDAY

The annual county-wide agricultural meeting for the purpose of discussing the various agricultural problems of the county will be held in the Court House next Monday, March 14th.

The various agricultural problems such as canning, grain and wool marketing, recommendations and information on various crops will be discussed.

The discussion will deal with strictly local problems.

## STILL POND

Mr. and Mrs. F. B. Harper visited Baltimore, Md., this week.

Due to the storm there was no preaching service Sunday, but about twenty-five attended Sunday School.

Miss Louise Pennington is visiting friends in Baltimore, Md.

The Women's Foreign Missionary Society will meet on next Thursday afternoon, March 17th, with Mrs. Wm. Medders.

The Philitha Class met on Wednesday evening with Miss Anna Bowers. A very enjoyable time was had by all.

The Sunday School plans to hold their missionary Anniversary on tomorrow evening, March 13th.

### FAT ROLL, ANYWAY!

Aunt Hetty: "Sakes alive. I don't believe no woman could ever been so fat."

Uncle Hiram: "What y' readin' now, Hetty?"

Aunt Hetty: "Why, his paper tells about an Englishwoman that lost two thousand pounds.

## C. H. S. ENTERS SEMI-FINALS

### DEFEATED EASTON CAGERS ON TUESDAY, 34 TO 10

By trouncing Easton High School, Tuesday afternoon at Washington College 34-10, the Chestertown High School quint entered the semi-finals of the Eastern Shore basketball championship. Chestertown will meet Cambridge next Tuesday at Easton. The winner of the Shore title will meet the winner of the Western Shore Crown, later in the season, to determine the State championship.

Both teams played carelessly and Chestertown's only great advantage was its ability to cage its shots. Reinhart was the big gun of the local attach, he scored twelve points. Falls and Wright scored seven and eight points respectively. Reed the high scorer for Easton, could only gather four points.

Chestertown overtook Eastons' early lead and were never hehind again. At the half the score was 10-4, but the local boys were not satisfied with this lead and in the second session they gathered twenty four points to Easton's six and before the game ended all of the Chestertown reserves had seen action.

Brice, the rangy center of the Chestertown team, was out of the game due to injuries suffered in the Smyrna game, but will probably see action again next week.

## ROCK HALL CARNIVLL DATES

### ANNUAL AFFAIR JULY 28 TO AUGUST 6TH

### PARADE NIGHT AUGUST 3RD

The Rock Hall Volunteer Fire Company has set July 28th to August 6th as the dates for their annual outdoor firemen's carnival with Wednesday night, August 3rd, as parade night.

The reason for setting the carnival dates so early in the year is to avoid conflicting dates of other companies.

## COUNTY AGENTS DISCUSS MILK SITUATION

### MEET IN PHILADELPHIA THIS WEEK — PUBLIC MEETING HERE MARCH 30TH

Mr. J. D. McVean with other county agents from Maryland, Pennsylvania, New Jersey, Delaware and parts of Virginia met with the directors of the Interstate Milk Producers Association this week for the purpose of getting a better understanding of the present milk situation. Every phase of the Philadelphia marketing situation was discussed an dthe general opinion at the meeting was that the association is doing everything possible for the benefit of its members.

**Public Meeting March 30th**

In order to bring the facts before the individual producer, a series of meetings are being ararnged in the various counties. The meeting in Kent county will be held March 30th at 1.30 p. m., probably at Washington College, at which time Mr. H. G. Allebach, president of the Interstate Milk Producers Association will be present as well as Mr. C. I. Cohee, president of the Interstate Dairy Council.

## WEDDING NOTES

Mr. and Mrs. Harrison Cornelius, of Lynch, have announced the marriage of their daughter, Miriam Augusta, to Mr. Alfred Clayton Mitchell, of Centreville. The ceremony was performed by the Rev. J. Harry Wright, in Chestertown, on Monday evening.

The bride is a graduate of the Chestertown High School and recently completed a course at the Goldey Business College, Wilmington.

—"Alexander Hamilton" will be at the New Lyceum Theatre Mon. and Tues. Mar. 14 and 15. Don't miss it.

### SLIGHT DAMAGE IN KENT

The damage in Kent county was slight, the majority of which was from falling trees.

A windmill on the farm of Mr. Lucian Massey, near Millington, was blown over and badly damaged.

A tree on the farm of Mr. and Mrs. Tilden Brice blew over on the house causing considerable damage.

Tree's were blown over at the homes of Mr. Dorsey Hines, Mr. Edward Wilkins and at Washington College.

The Tolchester boat did not attempt to make the trip from Baltimore to Tolchester on Sunday or Monday.

The sail boat Emma Faulkner, a large bugeye, which was sailing out of the Chester River last summer and has won in her class a number of times in the annual work-boat races capsized in the Choptank River and the two men who were aboard were drowned.

## CITIZENS MILITARY TRAINING CAMP

### KENT'S QUOTO INCLUDES SIX APPLICANTS

Kent's quota for the Citizen's Military Training Camp is six and it is one of the few counties in Maryland from which no applications have been made. The quota from Pensylvania has already been over subscribed and that for Virginia is practically filled.

Application blanks may be secured. from Mr. Jesse D. Maxwell, Worton R. R. No. 1, chairman for Kent county, or from the C. M. T. C. Office, Headquarters, Third Corps Area, Baltimore.

Development of character, physique and a better understanding of the duties and responsibilities of citizenship is one of the outstanding purposes of the Citizens' Military Training Camps which will be conducted for 4,600 young men of Maryland, Pennsylvania, Virginia and the District of Columbia between July 6 and August 4th.

In the opinion of army officers long experienced in the conduct of these camps, each graduate of a C. M. T. Camp becomes in a sense, a living standard of physical fitness for his comrades, and the gospel of health is carried to every village, city and town with obvious advantages not merely to the present but also to the next generation.

Dai ly discipline, it is pointed out, finds its natural cutlet in prompt response to orders, habits of obedience to recognized authority, secured without lessening the individual initiative or responsibility. Teamwork on the drill field is matched by team-work in athletic sports and games and by social give and take in recreation hours.

Plain honesty in thought, word and act is the recognized ideal in all bands of American youth gathered in the democracy of good fellowship and intimate comradeship at the training camps. Daily lectures on the duties and responsibilities of citizenship serve to emphasize the important place youth holds in the framework of representative government and the value of good leadership in all civic functions.

Camps will be held at Forts. Howard, Hoyle, Washington and George G. Meade, all in Maryland, and at Forts Myer and Monroe in Virginia.

## DOG POISONER SOUGHT

### REWARD OF $10 OFFERED BY SOCIETY

According to a statement by Mr. Thomas F. Healey on Thursday of this week, the Society for the Prevention of Cruelty to Animals, of which he is the local representative, has offered a reward of $10 for information that will lead to the arrest and conviction of the person or persons who set poison that killed approximately twenty dogs several weeks ago.

Among the dogs killed were a number of valuable pet dogs.

## REPORTED UNHURT

### REPORTS STATE COLD SPELL DOES LITTLE DAMAGE

According to a statement made this week by County Agent McVean, Kent county crops have suffered little or no damage from the cold spell this week.

The fruit is the only crop in question and Mr. McVean and a specialist from the Extension Service inspected the orchards last week. His opinion is that the fruit is not advanced enough to be seriously damaged.

### WORTON PRE-SCHOOL CLINIC

A pre-school and baby clinic will be held at Worton school next Wednesday, March 16th, from 10 to 11 a. m.

Mothers are urged to bring their children to this clinic for a thorough physical examination for which there will be no charge.

### IF AND WHEN

Men will wear brown this winter, says a stylist.

They will if they did last winter.

## ORGANIZE BAY LEAGUE

### THREE NEW CLUBS AND THREE OLD FORM LEAGUE

An enthusiastic meeting of the representatives of the various base ball clubs that will form the newly organized Chesapeake Bay League, was held at American Legion head-juarters Thursday evening.

Mr. J. T. Kibler, president of the league presided and there were twenty five men at the meeting. The league was organized with six clubs, three of which were in the league last year and three are new clubs.

Cecilton, of Cecil county, is the only club of the original Chesapeake Bay League that has remained in the league, although Rock Hall and Church Hill ere league members last year.

**Chestertown Joins League**

The new clubs which will be in the league this year are Chestertown, Sudlersville, an dBarkley, which with the older Clubs, Cecilton, Rock Hall and Church Hill form the six club league.

Kennedyville, last year's champion, Galena and Millington are no longer in the league and it is understood that some of the players on these teams will play with other clubs this summer.

The managers of the clubs are: Rock Hall, Thomas Tucker; Cecilton, Urie Jones; Church Hill, Frank Brower. The new clubs were represented as follows: Sudlersville, Johnson; Barkley, Wallace; and Chestertown, Herbert Usilton.

One of the regulations of the league is that there shall be no hired players. Clubs may draw players from an unlimited area the only restriction being that they shall not belong to organized base ball.

## C. H. S. DEFEATS SMYRNA

### ENDS CLOSE GAME WITH 1 POINT MARGIN

By staging a sensational rally in the second half, the Chestertown High School basketball team nosed out Smyrna, last week for the second time this year, 20-19.

Reinhart scored a field goal, in the first few minutes of play, to put Chestertown in as early lead, but this did not last long. Smyrna scored three field goals and added four fouls to lead 10-9 at the half. The half was rough and marred by many fouls.

At the start of the second half the Chestertown boys put on a spurt and scored three field goals before Smyrna tallied. From then on the game was nip and tuck. Near the end of the game Chestertown had a three point lead and in the last minute Smyrna scored a field goal to end the scoring for the game. Chestertown got the ball and kept it until the final whistle.

Falls and Reinhart lead the scoring for Chestertown with eleven and seven points respectively. Harrington was high scorer for Smyrna with seven points.

**C. H. S. Girls Lose**

In the preliminary game the Smyrna girls beat the Chestertown girls 20-19 in a closely played game. The Chestertown girls had previously beaten Smyrna, but could not keep their lead in the second half. Viola Ford lead the Chestertown girls attack.

## EMMA FAULKNER SINKS

### CAPTAIN AND CREW PERISH

The large bugeye, Emma A. Faulkner, fastest sailing boat of her class on the bay with Captain Calvert Leonard at the wheel, will never race again under his command. She has won for her class in the annual work boat races for three successive years and those who have seen her in a race knew that she was under the command of an able master. Captain Leonard and a colored helper were found frozen to death in a rawl boat on the shore Monday after the Faulkner struck a bar and sank in the gale in the mouth of the Choptank on Sunday.
