## SCHOOL DAYS — By DWIG

# HICH SGHOOLNOTES

BY RUTH FOX

A class meeting was held Monday for the purpose of selecting a class motto. President James Kreeger presided. The three mottos submitted were: "Aim High," "Courage Conquers All," and "The End Crowns The Work." After a great deal of discussion and a general hubdub of excitement, "Courage Conquers All" was the victor.

Mr. Fry, a representative of Strayer-Bryant-Stratton Business College, addressed the Seniors Tuesday afternoon. Mr. Fry spoke on finding your niche in the world of business.

"Qualities that tend toward placing us are hereditary, intelligence, environment and opportunities. Of course you all have intelligence and so I shall only have to explain the three others," Mr. Fry's speech began. And curiously enough that last sentence put us all into dandiest mood imaginable.

Mr. Howard Johnson, of Centreville has asked the help of the Senior Class to sell honey. Five pounds costs one dollar and twenty-five cents. The high school collects the quarter and Mr. Johnson collects the dollar. The money earned in this way is going to the DRAGON.

Mr. and Mrs. Enterprise Reader, you have no idea how delicious honey on pancakes tastes. And I've seen people who would walk ten blocks for honey and hot cakes. Then there is also honey-fudge. Who could forget it? Buy a can of honey when a high school student calls and sweeten up the whole family.

Did you know that—

The 10th grade History Club bought seven additional new books? They are: "Minute Biographies," "Uncle Tom's Cabin," Harriett Beecher Stowe; "Count Luckner, The Sea Devil," by Lowell Thomas; "Quaker Rebel, Story of Betsy Ross," by E. S. Parry; "Grandmother Brown's One-Hundred Years," by H. C. Brown; "Bow of Orange Ribbon" by A. Barr; and "U. P. Trail" by Zane Grey.

Anna Hepburn, Katherine Metcalf and Margaret Stavely had one of the best looking posters on "Carbohydrates"?

The Literary Society meets Friday morning?

Miss Kersey's window holds a large Sultana?

The April REFLECTOR is out?

Olive Seward received an A on her dress she made in Home Ec.

Beatrice Berger knows how to sew?

On April 22 a meeting of the Home Economics teachers of the Upper Eastern Shore will meet in the Chestertown High School from 9 to 3 P. M.

If you like to bowl (and who doesn't) come to Betterton tonight (Wednesday). Fifteen cents is the fee and the proceeds will be used for the benefit of———(guess what).

Mary Jo Wheatley is giving a bridge party Thursday evening for the DRAGON. Thirty-five cents is the cover charge and we should make about twelve dollars.

Mrs. Greene has selected the Commencement music. One is "Anchored" and the other "Good-bye Old Pals."

The 8-A English Class is staging two plays. Shirley Fox is the chairman of "The Last Leaf." The characters in this play by O. Henry are:

Johnsy—Betty Coleman.
Sue—Freida Dorf.
Behrmann—
Doctor—Jessie Brooks.
Lucille Fellows is the prompter.

Guy de Maupassant authored the second play entitled, "The Necklace." Those who will enact this play are:

Madame Loisel—Charlotte Cornelius.
M. Loisel—Charles Bailey.
Madame Forestier—Sarah Dodd.

Marian Aldridge is the introductory.

Elizabeth Baldwin is the chairman and the prompter is Louise Clark.

"Ali Baba and The Forty Thieves" is a third play under consideration. Janet Briggs has charge of this Arabian Night's tale. The characters have not been selected.

The 8-A girls have been studying "Breakfasts" in Home Economics. Monday, Miss Kersey divided them into four groups. Two groups prepared breakfasts, while the other two groups played "guests."

Section one consisted of Francis Atwell who fixed the grapefruit, Charlotte Cornelius who prepared the cream of wheat; the pocketbook roles and cocoa were the hand products of Janet Briggs, while eggs with dried beef were scrambled by Murggie Brooks.

The visitors who ate this breakfast were Ava Shirley Fox, Elizabeth Bedwell, Sarah S. Dodd and Eleanor Barwick.

Section two's schedule looked like this: Hostess—Betty Barnes; oranges, half; maid—Freida Dorf, oatmeal; cook—Betty Coleman, toast, cocoa; Dishwasher—Lucille Fellows, creamed eggs.

The guests were Elizabeth Baldwin, Helen Coleman, Jesse Brooks, and Marian Aldridge.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at all stores. © 1931, C. M. Co.

Joseph Weer was elected first president of the Kennedyville 4-H Club which was formed at a meeting held in the Kennedyville school on Friday night. Merritt Robinson was elected vice-president; Charles Hague was chosen secretary; and the post of treasurer was given Harry Willis.

The first meeting of the club will be held on Friday, April 22, at which time a program of work will be mapped out. At the next meeting additional members are expected.

POISON in Your bowels!

Poisons absorbed into the system from souring waste in the bowels, cause that dull, headachy, sluggish, bilious condition; coat the tongue; foul the breath; sap energy, strength and nerve-force. A little of Dr. Caldwell's Syrup Pepsin will clear up trouble like that, gently, harmlessly, in a hurry. The difference it will make in your feelings over night will prove its merit to you.

Dr. Caldwell studied constipation for over forty-seven years. This long experience enabled him to make his prescription just what men, women, old people and children need to make their bowels help themselves. Its natural, mild, thorough action and its pleasant taste commend it to everyone. That's why "Dr. Caldwell's Syrup Pepsin," as it is called, is the most popular laxative drugstores sell.
