BY WAIVING THEIR court fees, the Grand Jury of Kent County placed their request that county expenses be cut from every quarter and many undertakings should be abandoned or postponed for the present, above the age old cry of high taxes. They showed the earnestness with which this request was made and by doing so will relieve the county of levying for payment of Grand Jurymen for the April term in 1933, the present levy taking care of that expense.

The present Board of County Commissionrs are doing everything in their power to hold expenses down and with the cooperation of the citizens of the county, such as that showed by those on the Grand Jury, will materially assist in accomplishing this end.

GRAND JURY REJECTS FEE

For the first time in the history of Kent County, the Grand Jury, of which Mr. James Woodal, Jr., was forman, unaimously agreed to waive their jury fees as an example of their desire to keep the 1932 levy as small as possible. The Grand Jury Fees amounted to approximately $190.

The Grand Jury finished their work in a day and a half and in their report stated:

"In presenting our report, this body wishes to call special attention of the Court to our tax problem. Expenses must be cut down from every quarter possible, and many undertakings should be abandoned or postponed for the present in order that our Levy Court can so arrange the budget to relieve our tax-payers, in these times of distress, of a large portion of the tax assessment of the coming year 1933.

"We, the Grand Jury, waive our Court fees for this session."

ROCK HALL LOSES TO CHESTERTOWN

CHESTERTOWN 15—ROCK HALL 10

By out slugging Rock Hall 15-10 the Chestertown High School baseball team started on the defense of their Eastern Shore Baseball crown Tuesday afternoon at Rock Hall. Both teams were weak in fielding, but will probably show great improvement in the next few weeks.

Chestertown opened the contest by getting four runs in the first frame by virtue of two errors, a walk and a double by Seward.

Seward, the Chestertown twirler, set Rock Hall down scoreless until the fourth when they took advantage of three walks, an error, and a single to score two runs.

Chestertown scored in every inning, but the second and fourth. In the seventh they scored three runs by a home run, a double and two errors. In the fifth and ninth innings they shoved two runs across the plate.

Rock Hall had one big inning, the fifth, when they tied the score at 8 all. They nearly chased Seward from thm mound when they secured a triple, a double, a single and four walks for six runs.

A late rally was stopped only after Rock Hall had scored twice and seemd to be on the way to tie the score.

Seward was cutting the corners of the plate with his fast ball and struck out twelve men while Grant, of Rock Hall, acounted for nine victims.

Wednesday afternoon a team of Washington College boys played a practice game with the locals and gave them a good drubbing but also some valuable practice.

The team has only two veterans, Falls and Reinhart. The other boys are either newcomers or are reserves from last year. With several weeks practice, Coach Stenger should have a formidable outfit.
