GOV. RITCHIE ENDORSED FOR PRESIDENT

The state convention which met in Baltimore Thursday enthusiastically endorsed, without a dissenting voice, Governor Albert C. Ritchie for the Democratic Presidential nomination for President of the United States, pledging the states 16 votes to him at the National Democratic Convention to be held at Chicago. Senator S. Scott Beck, of his county, is one of the district delegates.

Governor Ritchie's long term as the Executive of this state, with his record behind him, unquestionably qualifies him for President, and if nominated at Chicago we believe he will be the next President of the United States.

WANTED: Men & Women

The opportunity of a lifetime

Do you know that a million and a half rabbits are wanted for fur this year? You can raise some of these. You can make big money doing it. The chance of a lifetime for every farmer, poultryman or citizen of the county. Investigate as I did. It will cost you nothing.

P. E. Corkran—that's my name. I live at Easton, Md. I want everybody to know that I investigated. I made money raising rabbits. You not merely buy rabbits. This company I'm telling about actually puts you in business and pays you as high as $2.50 a pound for all of the choice breeders you can raise, less of course for runts. But think of that. This price and their fair and square four year contract are the things that interested me. And if you want a few thousand extra dollars too, this year, you'll see. Write or phone me about this big proposition raising Chinchilla and Rex Rabbits.

BOWELS need watching

Let Dr. Caldwell help whenever your child is feverish or upset: or has caught cold.

His simple prescription will make that bilious, headachy, cross boy or girl comfortable, happy, well in just a few hours. It soon restores the bowels to healthy regularity. It helps "break-up" a cold by keeping the bowels free from all that sickening mucus waste.

You have a famous doctor's word for this laxative. Dr. Caldwell's record of having attended over 3500 births without loss of one mother or baby is believed unique in American medical history.

Get a bottle of Dr. Caldwell's Syrup Pepsin from your drugstore and have it ready. Then you won't have to worry when any member of your family is headachy, bilious, gassy or constipated. Syrup Pepsin is good for all ages. It sweetens the bowels; increases appetite—makes digestion more complete.
