# KENT BOYS 4-H CLUB AGTIVITIES

(BY STANLEY B. SUTTON)

### CLIFF CITY

The Cliff City boys 4-H club held its regular meeting Wednesday night, June 1st at the home of the President, Wilson Yerkey. Nearly a hundred per cent of the members were present and the President had a very interesting meeting planned, which he carried out very well.

### FAIRLEE ELECTS

The new Fairlee Boys' 4-H Club met during the noon hour on Friday, June 3rd at the school yard. This being the second meeting of this group, the election of officers for the year was held, which resulted in the following:

Calvin Smith, president; John Groves, vice-president; Van Whiting, Secretary; Erdman Walls, Treasurer.

The boys decided to meet once each week for the remaining two weeks of school and once each month during the summer.

This new club is very promising and while it covers quite a big territory, will make the other clubs keep on the go.

MR. EDITOR:

This here political situation is gittin right critcial. It looks like the enemies of Mr. Roosevelt is goin to spend most of their time and substance fightin to destroy their enemy without doin anyhing to help the situation. The trouble is that they are all divided in everything except to fight Roosevelt. I reckon it is because each candidate wants the job fer himself so bad that he ain't willin to help some other feller git it. It strikes me that the only way to beat Mr. Roosevelt is to unite on some strong man to oppose him. They can't beat him by splittin up their forces and each one goin a different direction.

Last year I proposed that the friends of Governor Ritchie orga "Ritchie fer President" club ver the country. Up to this I ain't heard of but one bein organized. It ain't a good policy to wait till the convention to start the movement fer a good man. If the opponents of Roosevelt would unite on Mr. Ritchie they might git somewhere. While he ain't governor of a big state like New York he is a strong executive and makes a good campaigner. He takes well with the people and would make a strong candidate.

I ain't in favor of this "dark horse" business. We had a "dark horse" in 1924 and look where he took us. Whenever a lot of factions git to fightin in a democratic convention only a weak man can satisfy all the factions. This ain't no time to put up a weak candidate. We want a strong man. We need a man that has convictions and is not afraid to speak 'em. We don't want no soft speakin mollycoddle sort of man to represent the democrats this year. I think our own Governor fills all these requirements and would make us a good president.

It ain't my job to pick the candidates fer public office, but as I made a suggestion last year fer the presidency, I think I might venture another suggestion or two fer State officers. Of course, if Mr. Ritchie gits to be president the next governor will be the president of the Maryland Senate. But in 1934 we will have to elect a governor, and I respectfully propose our own Senator Beck for governor of Maryland. I think he would make us a good chief executive and I think he could be elected. It's about time fer us to have a governor from the Eastern Shore again.

And now, Mr. Editor, I have just one more proposal to make. With your permission I suppose for the next Judge to be elected in this circuit our own State's Attorney Collins. There is some that won't agree with me, but I ain't holding that agin 'em. I been lookin over the field and I think I've got a good slate, and I am fer 'em strong.

RITCHIE FER PRESIDENT.
BECK FER GOVERNOR.
COLLINS FER JUDGE.

Yorus truly,
JOSIAH ALLEN WEATHERBY.
