4-H CLUB ACTIVITIES

CLUB MEMBERS SEE WASHINGTON, MOUNT VERNON AND ANNAPOLIS

Fifty-six 4-H Club Members and leaders made a trip to Washington Saturday, June 18th. The party traveling in the Betterton School Bus driven by Mr. Newsome, left Chestertown for Annapolis, crossing from Matapeake on the 7:25 a. m. Ferry. At Annapolis the Naval Academy was visited, seeing the various class room buildings, the Drill and Athletic fields the Chapel, the boats along the shore, the prison boats and many other interesting things about town including the Capitol building and St. Johns College. From Annapolis the party drove on to Washington, going by the National Capitol, Union Station, Lincoln Memorial, Washington Monument, the new Memorial Bridge and over the wonderful new road to Mount Vernon the home of George Washington. Here the "4-H Clubbers" were "turned loose." After seeing Mount Vernon and eating lunch, the group headed back to Washington where the National 4-H Club Camp was visited. Maryland's delegates were soon found and Bill Comella of Kent County conducted the group around the Camp, showing how the camp is run. The Kent delegation were special guests of the Camp and enjoyed the remarks by Mr. Mr. George Farrell, Camp Director, Mr. George Farley, State Club Leader of Massachusetts, and our own "Daddy Jenks" of Maryland after which they joined the Camp Group in a special tour of the Capitol building, seeing the many historic scenes, the various department of the Nation's Capitol and even the Senate and House of Representaatives which were in session. From the Capitol the group went through the Congressional Library and back into the bus where the White House, Museum and many other Public Buildings were seen. A number of the Bonus Marchers' Camps and Parades were passed and many other interesting things pointed out by the guide. The group returned to Chestertown at 8.15 p. m. a tired but happy bunch of 4-H Club Members. Ask any of them about their trip. Each will write an essay on the trip, a prize being offered for the winning essay. Those who attended were: Charles Anthony, Harold Myers, Jack Phillips, George B.
