FEW HOMES FOR FRESH AIR TOTS FROM NEW YORK

Committee For Kent Named

After several meetings of the Fresh Air Committee for Kent County a few homes for New York's tenament children have been found. The number, however, is far below that of other years as it has been found that many former hostesses are entertaining relatives who have been victims of the unemployment condition of the nation.

A number of Kent clergy cooperated with the committee last Sunday by putting the matter before their congregations.

The children are to arrive in Chestertown on July 22 and will stay for two weeks, only. Several children who have visited Kent for one or two years are still uninvited. While their former hostesses can not take them this year they do recommend them as being well-mannered and delightful little guests. It is hoped that others will extend invitations to these little people, especially since he risk of taking an untried child is considerably lessened.

Two weeks of fresh air and plenty of good wholesome food will be of tremendous help to the children who have suffered more than ordinarily during the past year. Miss Herrington, the TRIBUNE representative who visited Kent stated that she had visited many homes last winter that had no fuel at all throughout the winter months.

Mrs. Olive Greenwood and Mrs. Allan Urie of Kent called on the children they had had last summer and found conditions appallingly poverty-stricken in the two families they visited while on a trip to New York last winter.

While Kent has, like the rest of the country, felt conditions, the majority of people in the county have plenty to eat and it is to be hoped a number will share of their plenty with these underprivileged children.

Those who are willing to play hostess for the short period of time are urged to get in touch with Mrs. Nell C. Westcott, Chairman of the committee, or any member, thereof. The personnel of the committee is as follows: Mrs. Thomas Massey, vice-chairman, Mrs. Richard Collins, Jr., Mrs. Barber Bartley, Mrs. Jane Chaires, Mrs. Allan A. Harris, Mrs. W. O. Selby, Mrs. John White, Miss Fanny Beckham and Miss Helen Schellinger.

"What's Jones So Puffed Up About ?"

IT'S an old, old, story . . mates. A few months ago, Jones was one of that short-sighted group that figured "Advertising just a waste of money." His business went from bad to worse until, in desperation, he decided to "try it just once."

The results were so gratifying, that he's been ADVERTISING CONSTANTLY ever since. No wonder he's smiling and content now.
