Switch Over Today.... Try the New NuGrape

AT the very first sip, you are happily conscious of the miracle of it—the aroma, tang, sunny splendor of wide vineyards and the perfume of growing, ripening grapes! It is no mere echo—it is Reality—as if you had plucked a cluster of Concords and were pressing their purple juice between your lips.

The New NuGrape is the liquid flavor of Concords—livened, given champagne-life by a secret process—it leaps and glistens in the glass with the glow of health. And how appetizing! What a zest it provides for other things. The most languid hours are brightened and made more endurable.

At grocers by the case for your home. At soft drink stands for the whims of your thirst any time, any where 5c.
