KENT HBOYS 4-H CLUB NEWS

KENT 4-H PROGRESSIVE POULTRY CLUB

The Kent 4-H Progressive Poultry Club met at the home of Catherine Kramer at Blacks on Wednesday night, September 14th, with President Bayard Sutton in the chair.

The regular order of business was persued, after wrich Helen Lusby gave an account of her trip to Club Week. Helen was sent to Club Week as a representative of her club, and made a very good report.

Assistant County Agent Sutton announced the date of the coming State Poultry Judging Contest to be held at Centreville, November 17th and urged every member to go out for the Team. It will be remembered that Kent has the honor of winning the State contest for the past two years. In order to have a winning team again this year, it is necessary for every one to cooperate in practice work and try for a place on the team. Several problems were discussed and Bill Comella read a report by the U. S. D. A. which was of interest to all. The meeting was concluded by reviewing the fundamental points in Judging Poultry.

County 4-H Club Party

Kent 4-H Club members, both boys and girls, and their parents enjoyed an evening of play and friendship at Mr. Howard Turner's Pier at Betterton on Thursday night, September 15.

Joe Weer, President of the Kennedyville Boys' 4-H Club and Miss Helen Wagner of Rock Hall took turns at the piano and furnished music for the Grand March and games. Miss Dorothy Emerson, State Girls' Club Agent, was present and conducted several games. Practically every club was represented. These gatherings are very helpful and enjoyable and we all look forward to the next one.

The Five County Club Conference

A five county club conference was held at Centreville on Saturday, September 17th. Club members represnting the counties of Dorchester, Talbot, Caroline, Queen Anne and Kent were present and took part in the discussion.

The morning program was given over to the subjects of Management of Self and Personal Development and many vital points were brought out. **Folowing the lunch hour a game and** recreational period was held when different games were talked over and lists of games suitable for all occasions were made up. The concluding period was a discussion on the choice of a vocation and "Farming as a Life Work." Several delegates who have attended several previous conferences say this was the best discussion ever held. Due to the busy season in corn and tomatoes the representation was small. Those attending from Kent were: Walter T. Morris, Clarence Sutton, Theodore Ford, William Comella, County Agent McVean, and Assistant County Agent Sutton.

Kent 4-H Clover Club

Diet Didn't Do This!

HAPPY little girl, just bursting with pep, and she has never tasted a "tonic!"

Every child's stomach, liver, and bowels need stimulating at times, but give children something you know all about.

Follow the advice of that famous family physician who gave the world Syrup Pepsin. *Stimulate the body's vital organs.* Dr. Caldwell's prescription of pure pepsin, active senna, and fresh herbs is a mild stimulant that keeps the system from getting sluggish.

If your youngsters don't do well at school, don't play as hard or eat as well as other children do, begin this evening with Dr. Caldwell's Syrup Pepsin. This gentle stimulant will soon right things! The bowels will move with better regularity and thoroughness. There won't be so many sick spells or colds. You'll find it just as wonderful for adults, too, in larger spoonfuls!

Get some Syrup Pepsin; protect your household from those bilious days, frequent headaches, and that sluggish state of half-health that means the bowels need stimulating. Keep this preparation in the home to use instead of harsh cathartics that cause chronic constipation if taken too often. You can always get Dr. Caldwell's Syrup Pepsin at any drug store; they have it all ready in big bottles.
