Section 1. And be it enacted and ordained by the Mayor and Council of Chestertown, That every person, before selling, offering for sale or delivering for consumption, any milk or cream in the town of Chestertown, shall first obtain from the Mayor and Council of Chestertown a license to do so. Section 5. And be it enacted and ordained, That every licensed dealer in milk and cream shall have a number, to be furnished by the Mayor and Council of Chestertown, together with the words "Milk License" printed in conspicuous sized letters, conspicuously displayed on both sides of any wagons or vehicles from which milk is sold or distributed, or at the immediate place of sale.

If he fail or refuse to give the information within five days, the County Health Officer shall notify the Town Clerk; and he shall revoke the license of the person so refusing or neglecting to give the required information; and the said persons shall not be licensed again until all the required information has been furnished and he has applied for and obtained a new license.

Section 9. And be it enacted and ordained, That milk shall be defined as the whole, fresh, clean, lacteal secretions obtained by the complete milking of one or more healthy cows, properly fed and kept, excluding that milk obtained within 15 days before and 5 days after calving, or such longer period as may be necessary to render the milk practically colostrum free. Raw milk shall meet the minium requirements of those in force by the State Board of Health provided however that such requirements are approved by the Mayor and Council of Chestertown, which body may also make more stringent regulations as it deems best.

A WONDERFUL PICTURE

GEORGE ARLISS STARS IN "A SUCCESSFUL CALAMITY"

A new George Arliss picture is always an event of importance to the motion picture public and " A Successful Calamity," his latest Warner Bros. triumph, showing at the New Lyceum on Wednesday-Thursday, September 28-29, promises to excel all of its excellent predecessors in popularity.

The story deals with an American family of great wealth; a great financier, his young and lovely wife and his two grown children; all of whom find themselves so busy with the pleasures and duties imposed upon them by their money and position that no time is left for the enjoyment of real family life.

In an attempt to remedy this unhappy situation the father announces suddenly that he is ruined. Amazing and far reaching complications which he little expects, result immediately. The delightful comedy unfolds against the most luxurious settings ever devised for a picture of this type. It is presented with a cast so excellent that every bit part is played by an actor or actress of considerable note.

"A Successful Calamity" is adapted from a highly successful stage play of some seasons back, written by Clare Kummer. John Adolfi, who directed George Arliss in "The Millionaire," "Alexander Hamilton" and "The Man Who Played God," is credited with the direction of this new Arliss picture.

Altough the entire program is dominated by the character portrayed by Arliss, the supporting cast is even more noteworthy than previous ones seen in Arliss pictures.

Mary Astor, one of the loveliest and most capable of the screen's leading women, plays the part of the young and susceptible wife of the financier, Evelyn Knapp, who played with Arliss in "The Millionaire," is seen again as his daughter in this picture. William Janney, promising youtful screen and stage actor, is the son. Grant Mitchell, himself the featured player in many lesser productions, has the important role of the Wilton butler. David Torrence, Hardie Albright, Hale Hamilton, Fortunio Bonanova, Randolph Scott and Murray Kinnell are featured players.

KENNEDYVILLE WINS SERIES

MIDDLE RIFER LEAGUE SERIES ENDED SATURDAY

Kennedyville won the penant in the Middle River League by defeating Galena in a ten inning tilt on Saturday of last week. Money fumbled, Spencer to Kennedy. Hadley walked and took third when R. Woodall singled to center. Lockwood ended the inning when Geary made a beautiful play over to first on is grounder.

Kennedyville gave a nice brand of relief pitching in the seventh after three runs had crossed the plate and three men were on bases with two out when Johnson scooped Hadley's grounder and got it over to Spencer on second in time to retire Woodall and e nd the inning and the scoring for Galena.
