Modern Youth

Honey—That boy you were riding with has trouble with his vision.

Ruth—Yeah, he sees parking spots before his eyes.

OH, JOY!

"What is your idea of the simple life?"

"Being allowed to sit around in my shirt sleeves, my boy, especially in the summer."

A Heavy One

It was approaching midnight and the young man still hovered around the door. The stillness was suddenly shattered by a loud crash upstairs.

"Gracious, dear," said the timid swain, "what could that be?"

"Oh," replied the miss, "that's just papa dropping a hint."

He Knows

"My husband is merely a manufacturer of waste baskets," sighed the woman with aspirations. "It seems such a prosy occupation."

"On the contrary, there is really much poetry in waste baskets," replied the unappreciated poet.

Victim of the Times

Mrs. A.—I suppose you are going to spend the summer at the resort, as usual.

Mrs. B.—No. It's no fun spending the summer there if that's all one has to spend.

Intangible Influences

"Are you afraid of ghosts?"

"Not the kind discussed in psychic research," answered Senator Sorghum. "But I must admit these intangible boys, known as ghost writers, sometimes scare me a little."

NOT EVEN SARDINES

"Did your husband bring home any fish?"

"No. I understand William had bad luck on this trip. He got into a game of cards and lost the money he took with him to buy fish."

Join the Red Cross and Help The Distressed and Needy

3,000,000 FAMILIES HELPED BY RED CROSS

Distress in All Areas Met by Giving Food, Clothing and Other Aid.

More than 3,000,000 families throughout the nation were given relief of various types by the American Red Cross in the past winter, to aid them in their distress caused by unemployment, disaster or other misfortune.

A major relief task, due to unemployment and other unusual conditions in the bituminous mining counties in twenty states, was met by the Red Cross chapters alone, or participating with other agencies. In these 143 counties, the Red Cross aided 90,000 families through giving groceries, school lunches, clothing, flour and other necessities to combat privation.

Flour, milled from government wheat turned over to the Red Cross by Congress, was given to 15,000,000 persons in the period from March 8 to June 30, the close of the fiscal year. Flour will continue to be given through the winter of 1932-33, and Red Cross chapters also will give cotton clothing, made from government cotton turned over to the Red Cross for distribution.

"The Red Cross faces the busiest winter since the days of the World War," Chairman John Barton Payne said. "It is organized in virtually every one of the 3,072 counties in the United States, and will co-operate with all agencies to meet distress wherever found. The flour has proved of great benefit, and the cotton clothing will be given wide distribution."

While carrying on nation-wide these unemployment and other relief measures, the Red Cross also was engaged in its regular peace-time activities in public health nursing, service to ex-service men and their families, teaching home hygiene, life saving and first aid. The Junior Red Cross, composed of almost 7,000,000 school children, also rallied to the support of the society's relief efforts, and the children aided others of their age in practical ways, formed sewing and food canning classes, and were of great assistance in chapter relief work.

While the wheat and cotton were given by the U. S. Government, no money was provided to pay for the necessary work entailed. The Red Cross will meet this expense of almost $500,000 from its treasury. Citizens can aid by joining as members of the local Red Cross chapter during the roll call from Armistice Day to Thanksgiving Day.

TIME FOR THAT

"It's awfully rude to flirt with fellows you have never met. You don't know that fellow over there!"

"I'll apologize to him after I'm acquainted with him."

THEIR DRAWBACK

"Daughter, have you learned to swim yet?"

"No, I've had ten fellows to try to teach me, but none of them seem to be able to keep their minds on their work."

HER DISCOVERY

"Bank saved that woman's life from the undertow, and then she married him."

"Yes, and she found that she was all he ever did save."

In Line

"Will you join our Paint-Up campaign?"

"But I run a beauty shop."

"Well?"—Louisville Courier-Journal.

REASSURING

A lady was seated with her little girl in a railway carriage when a frowsy-looking individual entered the compartment.

A few minutes before the train started the lady, perceiving that she would have to travel with an undesirable companion, thought of an excuse to rid herself of him. Leaning forward, she said: "I ought to tell you, my little girl is just getting over an attack of scarlet fever, and perhaps—"

"Oh, don't worry about me, madame," interrupted the man, "I'm committing suicide at the first tunnel."

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resist substitute. 25c at all stores. © 1931, C. M. Co.
