Speakers at the morning session included R. A. Ward, Kansas State president; E. E. White, inspector of the Postoffice Department; H. R. Parvin, of New Jersey, and Joseph M. Armstrong, postmaster at Annapolis.

SKINNER'S NECK LEADS IN ATTENDANCE

Noses Out Two Others By Narrow Margin

The Skinner's Neck School, taught by Mrs. Lillian Orr Crouch, led the Kent schools in attendance for September with a mark of 99.13. But so close was the race for the attendance honors, Mrs. May Mills Beck, attendance officer, found it necessary to figure the percentages out to the hundredth place before a leader could be determined.

Right back of Skinner's Neck came Janvier, taught by Miss Frances G. Orr, with mark of 99.12, and Locust Grove, taught by Miss Mildred G. Neal, with a mark of 99.1.

The upper county high schools led in that division with Millington, Prof. Harry R. Rasin, principal, first with a mark of 96.4 and Galena, Miss Lelia N. Ware, principal, second; with a mark of 96.

Only one school in the county fell below the 90 mark in attendance for the first month of school.

The average for all the schools follow:

1.	Skinner's Neck	99.13
2.	Janvier	99.12
3.	Locust Grove	99.1
4.	St. Paul	98.7
5.	Pomona	97.7

CHESTERTOWN HIGH SCHOOL

NEWS OF THE VARIOUS DEPARTMENTS

(BY JANET McVEAN)

The past week at C. H. S. has been a busy one. Visible evidence adorns the doors of several of the class rooms. One of the upper panels of each door has been replaced by a sheet of glass. The halls are much lighter because of this improvement. Needless interruptions of classes are eliminated by the easy of seeing the occupants of the room.

Although a new school building would be the only permanent solution for the crowded condition of C. H. S., the "grand crush" in the halls has been slightly remedied. Each section now has an appointed monitor to direct its traffic and to see that it does not interfere with other classes.

The Junior class has been informed that Mr. Kreeger is prepared to take orders for the standard class rings.

It his been decided that the literary club will meet as a whole in the assembly hall. The officers elected at the end of last year to serve this year are Alice Marion Sterling, president and Myrtle Hadaway, Secretary. The election for the members of the program committee is under way. The Senior member and chairman is Virginia Yerkey and the Freshman member is Owen Anderson. The other classes have not yet completed their voting.

The History Clubs will meet at the end of next week. If you need a pencil, buy from the club soon because the supply is selling rapidly.

Friday will be a holiday for the student of C. H. S. but the teachers will be attending the State Teacher's Meeting in Baltimore both Friday and Saturday.

The 8C section is very much in luck. They have a magazine called "American Forests" for use in their study of conservation of natural resources. Also, Billy Miller, an 8C sectionite, is a great addition to the school's artists.

Irregular verbs are perplexing the 9th grades. The members of the Cicero class have reached the point where the explanation of the picture of Cicero orating to Catiline and the senate is found.

The State Department of Education has made a survey of work done by the Home Economics workers. In this school the 9th grade, the 10th Commercials, and a few Seniors have made among them around 60 dresses, about 200 cakes and astonishing amounts of underwear this summer. The amount of baking mending, patching, home nursing, caring for children, home decoration, etc., done in C. H. S. during the summer has made those who made up the totals sit up in surprise. The bulletin board in the Home Ecomonic room is being used to post any article or picture concerning any phase of home decoration. The Freshmen girls are making rapid progress. Mary Alice Hepbron has completed her required sewing already. Several others have almost finished. Miss Kersey reports that some of the bags made to hold the cooking aprons cost only $.03. No, you're not seeing things! Three cents. They were made of feed bags, the dyes and embroidery cotton were furnished at school, and the thread and drawing-strings were the only expenses. Another almost unbelievable fact is that one girl's apron and cap will cost less than a nickle. Large feed sacks make this apron, thus proving that they will hold other things than feed. The Senior girls are still preparing to block print their own original designs in colors on poogee scarves.

Friday the soccer team came out of its slump and defeated Millington, which, by the way, we are glad to welcome into the league.

The girls tied Sudlersville in a practice game here on Friday by a 6-6 score.

Tuesday was to have been a big day in C. H. S. athletics. Rain postponed the great day until Wednesday, so the scores of the three C. H. S.-Rock Hall games will have to wait until next week. The Junior and Senior field ball teams and the soccer team will play at Rock Hall. Here's hoping that C. H. S. will win at least two if not all of the three games.

I'll see you subsequently.

GALENA HIGH SCHOOL NOTES

BY MILDRED COPPER

The seniors had a benefit dance on Friday night last and cleared $22.10. They wish to thank their many friends for their patronage.

We have organized field ball and soccer teams as follows:

Field Ball

C. F.—S. Powell.
C. H.—A. Stradley.
R. I.—M. Copper.
L. I.—N. Ford.
R. W.—H. Davis.
L. W.—H. Johnston.
R. H.—V. Dill.
L. H.—B. Horsey.
L. F.—M. Ford.
R. F.—M. Blackiston.
Goal—A. Robinson.

Soccer Ball

C. F.—A. Welch.
C. H.—P. Stradley.
R. I.—A. Coxe.
L. I.—J. O'Grady.
R. W.—E. Ford.
L. W.—I. Beaston.
R. H.—W. Dill.
L. H.—H. Waecher.
L. F.—A. Walters.
R. F.—J. Davis.
Goal—H. Crawford.

We played our first league games with Rock Hall Friday at Galena. I am ashamed to tell what a drubbing we got in field ball, so to be a good sport I won't tell how badly the Rock Hall boys were beaten, either.

One of our good field ball players, Marianna Comly, who plays right wing cut her knee very badly on Thursday and we are afraid she will be unable to play for the rest of the season.

On Friday there is a State Teachers' meeting at Baltimore. We all have holiday, Hurrah!

SCHOOL NEWS

St. Paul's School will hold a masked Hallow'een Social on Thursday evening, October 27. Come masked and win a prize. Everybody invited.

GOLDSBOROUGH Votes Against The AMERICAN FARMER

President Hoover sponsored a Legislative measure, designed for the relief of the American Farmer, embodied in which was an item calling for the suspension of payments, (for a period of one year), of interest and principal on Farm Mortgages held by Federal Land Banks and other financial agencies. This bill was voted down in the House of Representatives, controlled by the Democrats, and the records show that Congressman T. Alan Goldsborough, who is supposed to represent the farmers of the First District, voted against the bill. GOLDSBOROUGH WAS OPPOSED TO GIVING THE FARMER IN HIS DISTRICT ADDITIONAL TIME TO PAY OFF HIS MORTGAGE. But, the records also show that Goldsborough voted in favor of giving Germany and other European powers additional time in which to pay their debts to us. On this record it appears that Goldsborough believes in helping Europe, but thinks the farmer of the Eastern Shore should struggle along as best he can.

In Contrast

Harry T. Phoebus, Republican candidate for Congress, pledges himself to work for a lowered interest rate on Farm Mortgages; to work for a measure authorizing the Federal Goverment to take over ALL Farm and Home Mortgages, and to permit Farmers and home owners to borrow up to 80 per cent of the present market value of their properties —and repay the loan in Thirty-three years. Under the Phoebus plan money would be available at 4½% with an additional 1% for retirement of principal, and the loan would be repaid in Thirty-three years.

Phoebus would give the Farmer thirty-three years in which to pay off his mortgage. Mr. Goldsborough voted against giving him even one year
