WELFARE ASSOCIATION MET FRIDAY

KENT ORGANIZATION PLANS RELIEF WORK

The Kent County Welfare Association held a meeting at the office of the Chamber of Commerce on Friday evening, December 2 at which time the chairmen of the various districts reported on work accomplished throughout the past year and presented the needs of their respective districts for the coming winter.

The organization was formed a year ago in December with J. D. MacVean as general chairman, Howard Turner of Betterton, assistant chairman and Mrs. Nell C. Westcott, secretary-treasurer.

Funds were contributed last year by members of the Chestertown Rotary Club and other interested Kent Countians and the local Red Cross. Flour was also given by the Kent chapter of the Red Cross. Clothing has been collected and stored in the Chamber office for distribution.

All cases applying for aid are investigated by the chairmen in whatever districts the call comes from and also by the county nurse, Miss Fannie Beckham and the attendance office, Mrs. May Mills Beck.

The organization was created in an endeavor to present over-lapping of charitable work in the county whereby some cases were deriving more aid than necessary and other cases were not discovered or were overlooked.

Although not a great deal of cash was available last year a number of donations in kind were made by Kent farmers, warm clothing was donated and many needy families helped.

In one instance a family was provided with seeds in the spring thus helping them to help themselves throughout the summer and storing away for the winter months.

This year cash donations are asked, as well as those of warm clothing and food that can be safely kept until needed.
