NEWS OF SPORTS

WASHINGTON PRACTICING BASE BALL AND LACROSSE

Washington College has closed a somewhat unsuccessful basket ball season and is now training for base ball and lacrosse.

Coach Kibler has charge of the base-ball and this sport will probably give a good account of itself. Several local boys will be in the college line-up.

The base ball schedule is somewhat erratic as the first five games on the schedule will be played home and the rest of the schedule will be played away.

Lacrosse Prospects

According to Coach Ekiatis the shortening of the lacrosse field which is a new rule, will be of no benefit to the Washington team. The college has about the same defense it had last year but the attact will not compare with the defense.

The lacrosse team does not face a very rosey future as they tackle four of the best teams in the country in Hopkins, Maryland, Mt. Washington and St. Johns. With Swarthmore, Washington has a chance to come out in winning end. All lacrosse games will be played away except a practice game with Sparrows Point High School.

Mid-River League

At present it looks as though the Mid-River League will be composed of six teams composed of Kennedyville, Millington, Warwick, Galena, Massey and Chestertown. Several of these teams are already making efforts to finance themselves. The Mid-River teams will be composed of local players of the several clubs. Rock Hall will either be in the Chesapeake Bay League or else will pay independent ball. There is a lot of enthusiasm over baseball at Rock Hall.

There has only been one meeting of the Chesapeake Bay League officials this season. At the meeting only three clubs were represented. They were Rock Hall, Cecilton and Barclay. Tilghman's Island made application for the league by letter but it is 70 miles from Rock Hall and it was thought that this would be too much of a trip for the clubs to take.

Dr. Metcalfe, of Sudlersville, president of the league said another meeting would be called. If the Chesapeake Bay League is not organized this summer Rock Hall will play independent ball. Rock Hill has had many applications for the team and some as far as Secretary, Md. Little change is expected in the line-up of the Rock hall team from last year.

The State Basket-Ball league among the Maryland Colleges will continue to function next year. Coach Kibler has again been elected presidnt. The same colleges will play as played last year and it is regretted that St. Johns and University of Maryland did not join.

Mr. Robert Wood, of New York, was the week end guest of Mr. and Mrs. Henry Kratzer on Front street. Mr. Wood has just returned from a trip of several months in the West Indies. Ms. Wood, who has been spending some time here as guests of her parents, returned to Nw York, with him on Sunday.

DUFFIELD HOSPITAL CASE

TO BE TRIED AT ELKTON NEXT WEEK

The defendants were granted a demurrer the petition in the Duffield-Kent hospital case at a hearing in the Elkton Court on Monday of this week.

The petition was filed by Messrs. H. W. Vickers and Wm. Pepper Constable representing Mr. Charles Duffield, petitioning the return of $2000 donated for the construction of the proposed Kent County Hospital.

The hospital was represented by Messrs. R. Hynson Rogers, S. R. Collins and Purdon Wright, who demurred on the petition. The Court granted the demur and allowed the plaintiff to alter the petition.

The case will probably come to trial at Elkton next week.

Captain Washington Woodall, was the guest this week of his wife and daughter here.

Mrs. Mary S. Hodgson and son William, and Mrs. Howard Newnam motored to Washington on Friday.

MAD DOG EPIDEMIC IN QUEEN ANNES

QUARANTINE MAY BE NECESSARY

With outbreaks of rabies still being reported in various sections of Queen Anne's county startling frequency and regularity, County Health Officer J. A. McCallum, M. D., yesterday was fearful that it might be necessary to recommend to the U. S. Department of Agriculture a county-wide quarantine on dogs. The action will only be taken, it was said, to protect human life from the dangerous and dreaded malady.

Developments in the rabies epidemic are chronicled as follows:

1 Three dogs, all definitely established as rabies victims, killed during the last ten days.

2 Records to date disclose a total of 8 dogs and 1 cow slain and laboratory tests prove indisputably they were victims of rabies.

3 A total of eighteen county citizens have received or are still receiving serum treatment as the result of having come in contact with one or another of the affected animals.

4 Th possibility that there may be further serious outbreaks among animals who were bitten or scratched by some of the affected dogs.

Because of the stringent nature of a county-wide dog quarantine, Dr. McCallum, county health chief, has been working to prevent the necessity of such drastic action. A quarantine might cover any period from 10 months upwards, and throughout this time all dogs would be in solitary confinement.

If declare, the quarantine would be ordered by the United States Department of Agriculture, and its enforcement also would be under the same branch of the government.

Dr. McCallum yesterday was hopeful that such a quarantine would not prove necessary and he was quite emphatic in stressing the point that it would not be ordered unless it seemed imperative to protect human life.

FATHER EARNER TRANSFERRED

Father James F. Earner, of the Sacred Heart Roman Catholic Church, Chestertown, has been transferred to Newark, Delaware, and will leave Chestertown today.

Father Earner has been stationed in Chestertown for twenty years and during that time has made many friends in this community aside from the church in Chestertown, Father Earner has had charge of the Catholic Churches at Rock Hall and Betterton.

Father Conway will succeed Father Earner in the county.

WEDDING NOTES

MELVIN—LeCOMPTE

W. Beauchamp LeCompte and Mrs. Mary G. Melvin, of Baltimore, were married at four o'clock Monday afternoon, March 13th, by the Rev. J. W. Baxley at his home near Wesley Chapel M. P. Church of which he is pastor.

Mr. LeCompte motored to Baltimore and brought Mrs. Melvin back with him, stopping in Chestertown where the license was procured. After the ceremony they went immediately to the groom's farm home near St. Paul's Church.

"OLD KENT"

BY

Geo. A. Hasnon, M.A.
