Dear John,

You wrote me that you were worried about your investments.

As you know I am 65 today. And as you know I have never had investment worries, because I have used Life Insurance as a complete Financial Plan. And as you know I have received a check each month from the Insurance Company since age 60 and that I will continue to receive it as long as I live.

Why don't you get in touch with Harper at Still Pond, the Massachusetts Mutual man, and have him help you get rid of those investment worries.

Faithfully,

Doc.

A face powder you'll like better at HALF what you often pay

WHEN you find a face powder you *like better* that *costs but half* what you've often paid, isn't it sensible to use it? Smart women everywhere agree. So they are turning to Jonteel. Jonteel Face Powder is soft, satiny, invisible, clinging. Delicately fragranced, too! Two sizes 25c and 50c. See the complete modernized Jonteel line at your Rexall Drug Store.
