Jesse Hurd, Jr., Wins Championship in Swine Class

Two of Kent's older Club Members who are students at the University of Maryland won high honors in the fitting and showing contest conducted every year at the University. Students enrolled in the Animal Husbandry course are required to fit and show an animal for the contest. Jesse Hurd, Jr., one of Kent's most active and successful club members in swine work, fitted and exhibited his pig for first place in the contest and was awarded the Grand Championship in the Swine Department. Albert Nicholson also one of Kent's most active and successful club members, placed third in the same class.
