THE BALTIMORE SUN in its issue of Wednesday last gives a review of the political activities of State Senator Dudley G. Roe, of Queen Annes County and classes him as a prospective candidate for the United States Senate in the campaign next year.

Senator Roe made his first appearance in Queen Anne's County politics at the age 26 when he was elected to the Maryland House of Delegates. Since that time he has been very active in the political game in his county. At the death of his uncle, the late John E. George, Mr. Roe has been the recognized leader of his county and has carried the Democratic flag to victory in very campaign since assuming the leadership. Mr. Roe states he will not make an active fight for the senatorial nomination. It is our feeling that the Eastern Shore should have one of the United States Senators.

APPROVAL OF THE plan which will enable The Third National Bank to open for normal business is expected today from the Comptroller of the Currency. Following this approval the final approval is assured. The plan for opening the Chestertown Bank of Maryland will be submitted to the State bank examiners next week. According to information received from both banks yesterday, banking business will be normal within a very short time.

KENTUCKY BURLEY TOBACCO

"DIRECT FROM GROWER TO YOU"

Old Kentucky Burley Tobacco is the cream of the finest crops Kentucky's bountiful soil can produce—ripe, rich leaves, smooth and mellow, with that rare old-fashioned flavor and fragrance that only proper "aging" can produce. We bank on it you have never tasted or smoked a finer flavored, more satisfying tobacco in all your life.

Special Offer
FIVE POUNDS SMOKING TOBACCO
$1

RICH, RIPE, OLD FASHIONED LEAF

Our Old Kentucky Burley is no more like manufactured tobacco than day is like night—guaranteed free from chemicals and all other adulterations that conceal imperfections, delude the sense of taste and undermine the health.

We use the same method our grandfathers used in preparing tobaco for their own use—every trace of harshness leaves it—nothing to "bite" your tongue or parch your taste. Thousands of tobacco lovers the world over swear by its inimitable smoking and chewing qualities.

REDUCE YOUR TOBACCO BILL ½

We sell direct from the grower, this eliminates the eighteen cents a pound Revenue Tax—all manufacturers' and middlemen's profit, thereby effecting a saving to you of 50% or more. No fancy packages, no decorations, just quality and lots of it.

MONEY SAVING PRICE

SMOKING OR CHEWING—5 lbs. for $1.00. Send us One Dollar Cash P. O. or Express Money Order (no personal checks) and we will promptly ship you a five pound package of "Burley Tobacco."

Five pounds of Old Kentucky Burley will make 40 large packages of smoking or 50 twists of chewing.

35c Send 35 cents in silver and we will ship Post-Paid—one pounds of Burley Tobacco as a trial offer. A trial will convince you.

We have thousands of requests daily for "Samples"—our margin of profit is so small we cannot comply with these requests.

We do not ship C. O. D. orders, to do so would require a large staff of clerks. Orders must be in English language.

Dear Fred,

You told me that you were thinking of your family as your car skidded and turned over the other day.

Have you thought how your family would have gotten along if you had not survived that accident?

I hope you have, and have arranged for such an emergency, but if you haven't, it would be a good idea to see Harper at Still Pond, the Massachusetts Mutual man.

Faithfully,
Doc.
