PURE BRED PIG SALE NEXT SATURDAY

4-H CLUB TO SPONSOR SALE

The first co-operative 4-H Pure Bred Pig Sale ever held in Kent is scheduled for Saturday afternoon, June 17th at 1.30 at the Farm Bureau Headquarters on High Street extended. Only pure-bred pigs, bred and raised by their owners will be sold. The pigs to be offered will be selected by a selection committee who will select only exceptionally good pigs from these litters. Therefore, no undesirable pigs will be offered. The boys consigning pigs are those we have heard about from time to time in relation to their 4-H activities and success with their pigs, both in the county and at other shows. William O. Comella, Walter B. Harris, Jr., and Whitney McCrea have developed a fine lot of Durocs. Jesse Hurd, Jr., and Lawrence Meeks are selling Poland Chinas and Jesse Hurd, Jr., the one litter of fine Berkshires. The Durocs are an exceptionally fine lot. Two litters are frog pigs that won first and second in 4-H club class and 3rd and 5th in open class at Timonium last year. These gilts were purchased from Lauxmont Farms, Wrightsville, Pa., last spring. Their Pedigrees show such names as: Lauxmont Static, Lauxmont Ideal, Foxy Yo Yo, Super Colonel 2nd and other names recognized by all owners of Durocs, as outstanding individuals of the breed. Two othr litters are a cross of the above breding and the breeding of Crewards farm, nar Rock Hall, which is strong in the Orion Chief, Constructor and other good blood lines. One litter is sired by a Delaware College pig and from a very nice sow of Creawards breding. Any of these Durocs are well worth consideration by Duroc lovers. These litters range from 9 to 14 pigs each.

The Poland China pigs are a very fine lot, one litter being sired by Choice Lad, a price winner at Ohio and Maryland State fairs in fast competition. He was later sold for $250.00. The Dam of this litter was Junior Champion at Eastern States Exposition several years ago. The pedigree is very strong in the better blood lines.

Two other litters are from sows that won 2nd and 3rd at our own State fair in 1931 and '32. Sensation, Hawk, Ray of Hope, Greenfild, Redeemer and other familiar names dot these exclusiv Poland pedigrees.

The single litter of Berkshires in the sale is from a sow purchased from Shore Acres Farm at Cambridge last spring and strong in the best of Sycamore breeding. The sire is of the fine breeding of Ray Norman of Harford County. The sire was Junior Champion at Timonium Fair last fall and the Dam was undefeated the entire season, being awarded Grand Champion at one show, an accomplishment rarely attained by a junior pig.

Only those who have tried to raise pigs in a sanitary and worthwhile way realize just what these boys have put into these pigs in the form of feed, work, time, anxiety, etc. They certainly deserve the co-operation and patronage of every one. It is not easy to offer the product of their time, money and labor, when it is of such exceptional quality and know what will be received. While they hope to realize a fair price for these pigs, their principle aim is to distribute good pigs at a nominal price and thereby help improve the quality of swine in Kent County. We must make more meat from less corn and the first step is start with a good pig.

CLOTHES AND ROMANCE

To the Editor of The New York Times:

My mother used to call him "the most agreeable gentleman." My wife always referred to "the nicest man," but the modern girl seems to prefer "the cutest boy." In my father's day, it was "the fairest lady." In my time "the nicest girl." But your son confides it to you in this wise: "Some kid, I'll tell the microphone!"

Hence, we must try to realize the romantic proposition has come to be inalienably one of knickerbockers and abbreviated skirts, in spite of the long, slinky ones the cloth manufacturers may be hoping to keep in fashion.

Competitive Examination For Scholarship in Washington College

According to a law passed by the recent State legislature affecting Kent, Queen Anne's, and Dorchester Counties on the Eastern Shore and Baltimore City on the Western Shore, Washington College is made responsible for conducting competitive examinations for the several scholarships from these areas and grading the papers. It is then required to hand over to the appropriate State senator a list of all the successful candidates from his county or district and the grades each has made.

In accordance with this legislation, Washington College announces that it will hold an examination on Tuesday, June 27th next, at ten o'clock, in William Smith Hall, for the Kent County scholarship in Washington College for the next four years which will become vacant with the graduation of Mr. Daniel W. Ingersoll, Jr., of Chestertown, in June, 1933.

After the examination the College will turn over to Senator S. Scott Beck, of Kent County, a full list of the successful candidates together with the grades each has made. Senator Beck will then choose from among the successful candidates the man to whom he will award the scholarship.

For further information regarding the scholarship examination, address Dr. Paul E. Titsworth, President of Washington College, Chestertown, Maryland. jn3-2t.

Dear Fred,

You told me that you were thinking of your family as your car skidded and turned over the other day.

Have you thought how your family would have gotten along if you had not survived that accident?

I hope you have, and have arranged for such an emergency, but if you haven't, it would be a good idea to see Harper at Still Pond, the Massachusetts Mutual man.

Faithfully,
Doc.

The Third National Bank
CHESTERTOWN, MARYLAND

A committee from the Third National Bank visited Washington Wednesday and Thursday of this week where they gathered considerable information on the present banking situation.

While continued dela, has prevailed it now seems that better progress can be made.

The committee had an audience with Deputy Comptroller Awalt, who immediately called an assistant to take up the case of the Thind National Bank at once.

A tentative plan for the reopening of this bank was set up in the presence of the committee, and this will be placed before the Comptroller. As soon as this plan is set before the Comptroller and later accepted by the Stockholders and Depositors the bank will occupy a position second to none for the transaction of normal business.

We expect this plan from the Department within the coming week.
