KENTUCKY BURLEY TOBACCO

Old Kentucky Burley Tobacco is the cream of the finest crops Kentucky's bountiful soil can produce—ripe, rich leaves, smooth and mellow, with that rare old-fashioned flavor and fragrance that only proper "aging" can produce. We bank on it you have never tasted or smoked a finer flavored, more satisfying tobacco in all your life.

Special Offer
FIVE POUNDS SMOKING TOBACCO
$1

RICH, RIPE, OLD FASHIONED LEAF

Our Old Kentucky Burley is no more like manufactured tobacco than day is like night—guaranteed free from chemicals and all other adulterations that conceal imperfections, delude the sense of taste and undermine the health.

We use the same method our grandfathers used in preparing tobace for their own use—every trace of harshness leaves it—nothing to "bite" your tongue or parch your taste. Thousands of tobacco lovers the world over swear by its inimitable smoking and chewing qualities.

REDUCE YOUR TOBACCO BILL ½

We sell direct from the grower, this eliminates the eighteen cents a pound Revenue Tax—all manufacturers' and middlemen's profit, thereby effecting a saving to you of 50% or more. No fancy packages, no decorations, just quality and lots of it.

MONEY SAVING PRICE

SMOKING OR CHEWING—5 lbs. for $1.00. Send us One Dollar Cash P. O. or Express Money Order (no personal checks) and we will promptly ship you a five pound package of "Burley Tobacco."

Five pounds of Old Kentucky Burley will make 40 large packages of smoking or 50 twists of chewing.

35c Send 35 cents in silver and we will ship Post-Paid—one pounds of Burley Tobacco as a trial offer. A trial will convince you.

We have thousands of requests daily for "Samples"—our margin of profit is so small we cannot comply with these requests.

We do not ship C. O. D. orders, to do so would require a large staff of clerks. Orders must be in English language.

Wake Up Your Liver Bile —Without Calomel

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resenton substitute. 25c at all stores. © 1933, C. M. Co.
