DID YOU KNOW?

DID YCU KNOW THAT:

At an elaborate wedding celebration held in the Town Hall at Easton, Talbot County, August 18, 1875, Charles H. Gibson, impersonating General Washington, wore an embroidered green cloth coat, which had belonged to the great American hero, while Mrs. M. T. Goldsborough, whose beauty was pronounced "Faultess" represented the bride, Mrs. Washington. a "buff satin" vest which had belonged to Charles Carroll, of Carollton, Mr. Gibson at the same function, wore Not until the bridal couple appeared on the stage, had the public the slightest idea as to who would occupy the place of honor so successfully had the secret been guarded. A purse of $650 was raised for the Orphans' Home.

DID YOU KNOW THAT:

The Democrats in the seething political 50-60's were derisively called "Loco-Focus. Then too, there were the know nothings, the American Republicans and the Freesoilers.

DID YOU KNOW THAT:

Less than a century ago, Diamond back terrapins which have sold for as much as $120 a dozen, were at one time so abundant in the Chesapeake Bay as to be a nuisance because of their destruction of the nets of Rock Hall Watermen and that upon the statement of the venerable Capt. Thompson, father of the late Capt. Jos. W. Thompson it may be said that the Rock Hall fishermen, instead of throwing the offending terrapin back into the water, when taken from their damaged nets, they were mercilessly smashed and left to die. An act of assembly was also passed by the General Assembly of the colony, to restrict the feeding of terrapins to negro slaves more than once a week.

DID YOU KNOW THAT:

Away back in ye olden days, fishing boats came from Chester River to the present street at the foot of the lawn of Thomas W. Eliason, and delivered their cargoes of fish.
